

HBC4

CIRCULAR HIGH BAY

The HBC4 LED Circular High Bay is a high-performance fixture that supplies an output greater than 135 lumens per watt, includes an integrated socket for a field install motion sensor, 90-degree optic, and excellent color rendering at >80CRI. The ultra-slim, die cast aluminum housing provides a lightweight but durable mounting system. With multiple mounting options and accessories, the fixture can address a variety of applications. The HBC4 is perfect for grocery stores, gymnasiums, big box retail, warehouse spaces, and other industrial applications.
