

Persuade® Curv | K-75790

Two-piece elongated toilet with skirted trapway, dual-flush

Features

- Two-piece design
- Elongated bowl offers added room and comfort
- Comfort Height® feature offers chair-height seating that makes sitting down and standing up easier for most adults
- Includes left-hand Polished Chrome dual-flush trip lever
- Skirted trapway simplifies cleaning
- Dual-flush technology allows you to choose between a full or partial flush
- 1.6 gpf (6.0 lpf) or 1.0 gpf (3.8 lpf)
- Standard 12" (305 mm) rough-in only. Cannot be combined with K-5383, or K-5381 for use in 10" or 14" installations
- Patented ReadyLock® installation system, a simple solution for skirted toilets, saves time, hassle, and eliminates the need to drill into the floor for standard 12" (305 mm) rough-in
- Eligible for consumer rebates in some municipalities
- This product can help a building earn Water Efficiency points in LEED® Green Building Rating System

Installation

- Standard 12" (305 mm) rough-in
- Seat sold separately
- Requires mounting plate for heated seat installation (sold separately)

Installation Notes

Install this product according to the installation instructions.

IMPORTANT! The rough-in must be 12" (305 mm) or more from the base of the wall or baseboard. Install or relocate the supply and outlet as necessary to conform to rough-in dimensions.

If this toilet is installed in new construction, install a new supply stop following the dimensions in the diagram. In installations with the supply stop installed, the existing supply stop may need to be relocated if it is less than 8 1/2" (216 mm) from the centerline of the toilet. Dry fit the toilet to confirm if the supply stop needs to be relocated.

The supplied hose will extend roughly 6" (152 mm) from the toilet. If the supplied hose does not reach the supply stop, a longer supply hose may be used.

For back-to-back toilet installations: Use only a 45° double wye fitting.
