BRETMAN SCONCE

DWC26
H: 15 IN, W: 5 IN, D: 4 IN,
English Bronze

Brilliantly simple, this sconce of tubular glass in a matte swirled finish with a steel backplate of English bronze provides an elegant glow. The curved lines and burnished finish of the integrated LED design recall Deco furnishings, yet the technology is completely modern. Damp-rated, although limited covered outdoor conditions may affect finish. Finish will vary.
