

*Please read carefully and save these instructions, as you may need them at a later date.*

### CAUTION

Turn off the main power at the circuit breaker before installing the fixture in order to prevent possible shock.

All electrical connections must be in accordance with local and National Electrical Code (N.E.C.) standards. If you are unfamiliar with proper electrical wiring connections obtain the services of a qualified electrician.

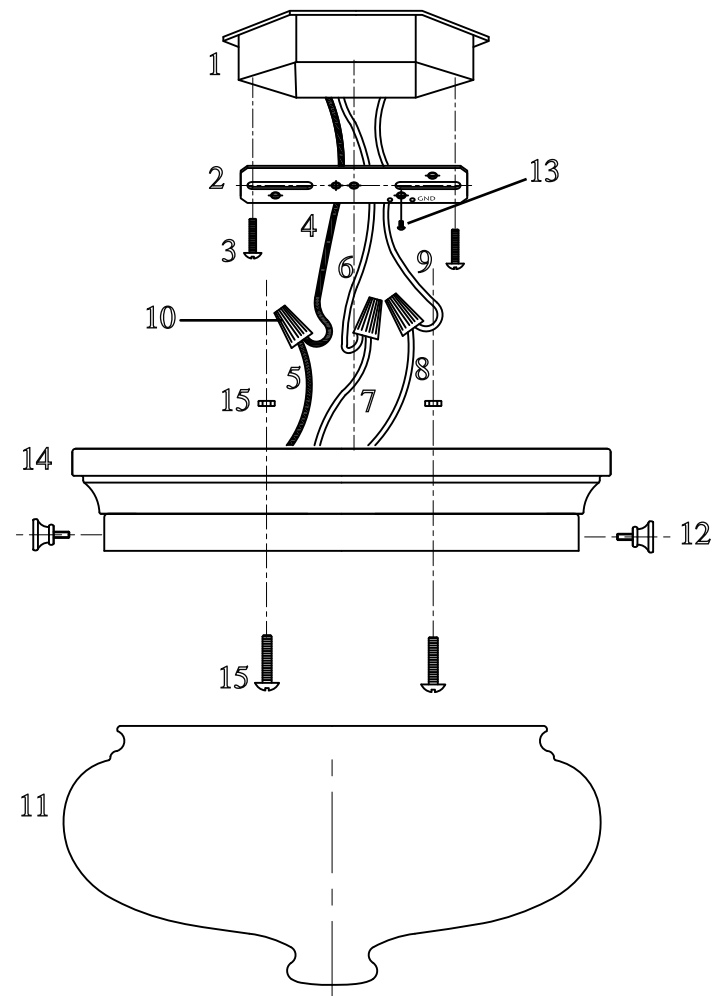

### GENERAL

Remove all parts and hardware from the box and make sure that none are missing by referencing the illustrations provided.

### ASSEMBLY AND INSTALLATION

1. Pull the SUPPLY WIRES (4 & 6) and the SUPPLY GROUND WIRE (9) out from the OUTLET BOX (1) and attach the MOUNTING STRAP (2) to the OUTLET BOX (1) (not included) with the OUTLET BOX SCREWS and WASHERS (3).
2. Temporarily place FIXTURE (14) over MOUNTING STRAP (2) to determine the amount of adjustment necessary. Adjust FIXTURE SCREWS (15) to the proper height and then secure by tightening the HEX NUTS (15) against the MOUNTING STRAP (2).
3. Unravel the FIXTURE LEAD WIRES (5 & 7) and FIXTURE GROUND WIRE (8). Attach the power supply wires to the fixture lead wires by connecting the BLACK SUPPLY WIRE (4) to the SMOOTH (or BLACK) FIXTURE LEAD WIRE (5) and the WHITE SUPPLY WIRE (6) to the RIBBED (or WHITE) FIXTURE LEAD WIRE (7). Loop the SUPPLY GROUND WIRE (9) around the GROUND SCREW (13) on the MOUNTING STRAP (2). [Note: Be sure to provide an extra 3in. length of the SUPPLY GROUND WIRE (9) for connection to the FIXTURE GROUND WIRE (8).] Connect the remaining SUPPLY GROUND WIRE (9) to the FIXTURE GROUND WIRE (8). Use a WIRE CONNECTOR (10) for all wire connections. Push wiring and connections inside the OUTLET BOX (1).
4. Place the FIXTURE (14) over the OUTLET BOX (1), positioning the FIXTURE SCREW (15) heads through the large openings of the key hole slots. Rotate the FIXTURE (14) to seat the screws and then tighten FIXTURE SCREWS (15) securely.
5. Install bulb (not included), **MAXIMUM 60W**.
6. Partially loosen DECORATIVE SCREWS (12) on FIXTURE (14). Attach GLASS SHADE (11) to FIXTURE (14) with DECORATIVE SCREWS (12). Do NOT overtighten DECORATIVE SCREWS (12). Pull down *very gently* on GLASS SHADE (11) to ensure GLASS SHADE (11) is secure.

**INSTALLATION IS NOW COMPLETE.**

## Limited Warranty

We warrant all our Products to be free from defects in material and workmanship, subject to certain conditions and exclusions, for period of one year from the date the Product was shipped to the original end use purchaser. We will warranty our product only if it is sold through an authorized dealer. We will, at our discretion, repair, replace or make appropriate adjustment where inspection discloses any defects occurring in normal usage within the applicable time period above, subject to the following conditions and exclusions.

The following costs, expenses and damages are not covered by the provisions of this limited warranty: (1.) labor costs including, but not limited to, costs associated with the removal and reinstallation of Product; (2.) shipping and freight expenses required to return Product to us.

All warranties only apply to the original end use purchaser and original installation of Products. **This warranty is not transferable.** The provisions of this warranty to not apply to products that are used in commercial applications; used for purposes for which they are not designed or intended; which have been subjected to alteration, accidental damage, abuse, misuse, negligence or accident; which have been improperly stored, installed, maintained or operated; which have been used in violation of written instructions provided by us; which have been subjected to improper temperature, humidity or other environmental conditions; or which, based on examination by us, do not disclose to the satisfaction of us non-conformance to the warranty. Additionally, this warranty DOES NOT COVER scratches, abrasions, or deterioration due to the use of paints, solvents, chemicals or abrasive cleaning techniques.

*The above warranties also do not apply if:*

- The original bill of sale, delivery date, or product number cannot be verified.
- The parts claimed to be defective are not returned for inspection if so requested by us.
- The product is not in the possession of the original end use purchaser at the time warranty claim is made.

**CARE & CLEANING:** Initial care for finishes requires periodic cleaning with a soft cloth, dampened with water. A mild non-abrasive soap may be used along with a soft cloth and water if the fixture is very dirty. Particular care should be taken to avoid abrasive materials and strong cleaning agents as they will quickly destroy the protective coatings and subject the finish to oxidation and discoloration.
