

Another innovative solution from:

DRAIN STRAIN®

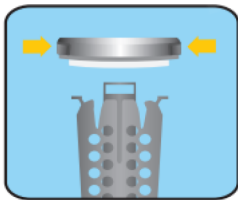

CLOG FREE  WORRY FREE

Drop it in and push gently until fins rest on the drain ring.

Without touching the buttons: pull down to seal, pull up to release.

Press buttons on cap to release the basket.

NEVER PUSH BASKET DOWN IN THE DRAIN WITHOUT CAP ON

FAQ

Will Drain Buddy™ work in my sink?

Drain Buddy™ is designed to be a universal replacement stopper for 1.25" sink drains and should work in most sinks even if your lever or rod no longer functions!

Can I clean and reuse my basket?

Yes! You can clean out the basket with the built in cleaning rod and reuse it or "never touch the gunk" by recycling it and replacing it. For easy demo videos go to DrainBuddies.com

Does Drain Buddy™ function as a drain stopper?

Yes! Unlike other strainers, you can still fill your sink for shaving or any other activity. Simply push down to seal the drain and pull up on the cap to release!
