Base Type: E12

Light Source Included: NO

Voltage: 120VAC

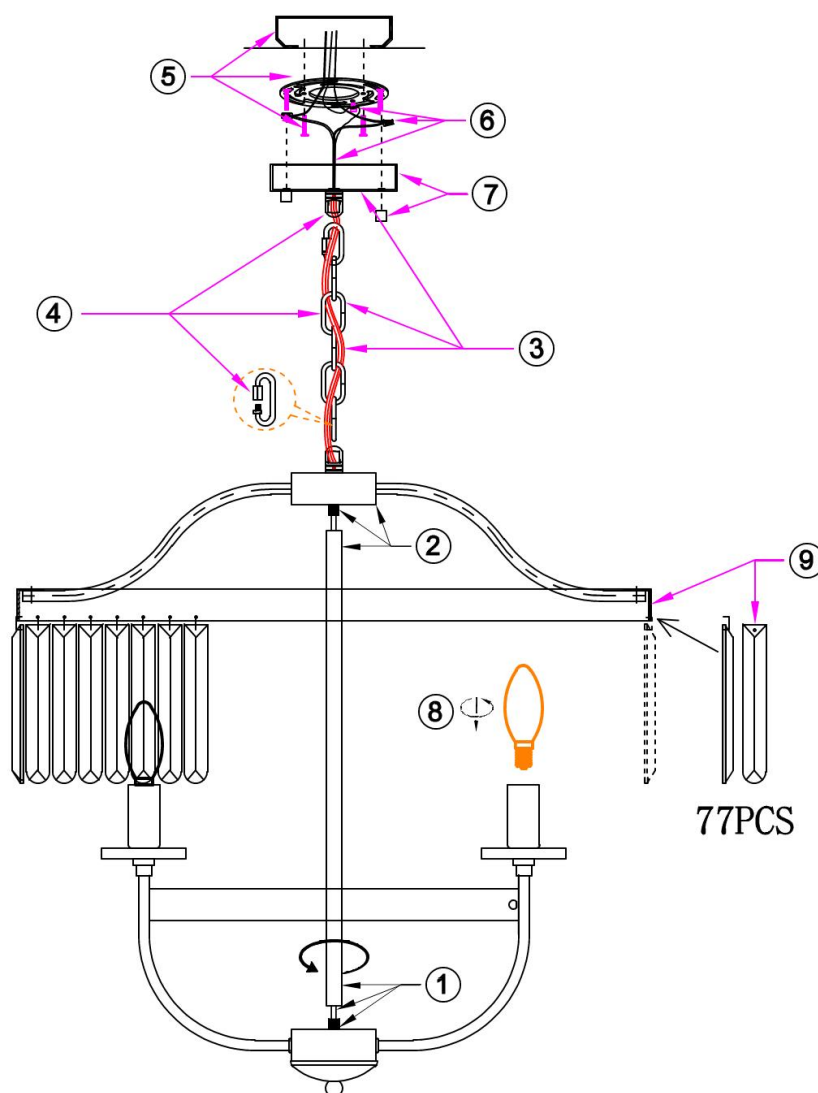

Wattage: 60W

Package includes

1 x Chandelier Light

1 x Accessories Kit

1 x User's Manual

Installation Instructions

1. Thread the electrical wires through the downrod, then screw the downrod tightly onto the threaded pipe at the top of the fixture body.
2. Thread the wire through the lamp upper frame, then screw the downrod tightly onto the fixture body.
3. Thread the wire through the hanging chain and the canopy.
4. Connect both ends of the hanging chain to the hanging ring on the fixture body and the canopy respectively. (The length of the hanging chain can be adjusted as needed)
5. Attach the mounting plate to the electrical junction box using supplied mounting screws.
6. Connect the main wire (live wire and neutral wire) and ground wire to the corresponding reserved wires in the junction box by using the wiring caps. Be careful not to expose the wire to prevent leakage.
7. Place the canopy onto the mounting plate and tighten the cap nut to fix the canopy in place.
8. Assemble the bulbs (not included).
9. Hang the crystal fixture onto the lamp body.

Note: please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
