

Bedding Warranty Overview

 **Warranty Scope:** This bedding is protected against manufacturing defects for the product only. The manufacturer makes no assurances against mattress staining or bed bug infestations and will not replace mattresses due to these reasons.

 **Proof of Purchase and Original Packaging Required:**
Essential for all warranty claims.

 **Lifetime Limited Warranty:** Mattress and Pillow Encasements, Mattress Pads, and Bedspreads come with a warranty, ensuring they're free from manufacturing defects for the entire duration you own the products.

Not Covered:

- External damages like stains, tears, punctures, and abrasions due to misuse, pets, spills, or other external factors.
- Damage due to improper installation.
- Losses from fire, theft, natural disasters, etc.
- Damage from washing in water above 140°F.
- **NOTE: Vinyl bedding should never be laundered or dried; doing so voids the warranty.**

 **Bug Protection:** While the mattress, duvet, and pillow encasements act as a barrier against bed bug movement, the manufacturer offers no warranty against bed bug infestations.
