

The SQ Professional Coffee Grinder from the Blitz Range is an excellent addition to any kitchen, giving you the ability to make perfect, freshly ground coffee or a mix of your favourite spices, instantly.

One Touch Control

The one touch control button makes the Blitz Coffee Grinder easy to operate, and quick at producing freshly ground results. Simply press the one touch button to operate the grinder and let it do all the hard work, leaving you the freedom to focus on the rest of your tasks, until it produces your desired consistency.

Stainless Steel Blades

With the quiet, 150-watt motor and precise stainless steel blades, this coffee grinder is capable of grinding a wide variety of coffee beans to produce consistent, finely ground results, ready for use in: coffee machines, cafeterias and coffee filters.

Multi Function Grinder

Designed for your safety, the Blitz Coffee Grinder features anti-slip rubber feet to ensure it stays securely in place while in use. Additionally, the Blitz Coffee Grinder doubles up as excellent grinder for dried herbs and spices – perfect for enhancing your favourite recipes.

With the practical, use-friendly features of the Blitz Coffee Grinder, making perfect, freshly ground coffee couldn't be any easier; plus, it's also available in three separate colour options so you can choose the best match for your kitchen!
