## WARRANTY

This device is warranted to be free of material and workmanship defects for 1 year from the date of purchase. Original receipt or proof of purchase from an authorized retailer must be presented upon warranty claim. ALL claims must be verified and approved by Top Greener, Inc. Warranties from other Top Greener products may vary. This warranty is nontransferable and does not cover normal wear and tear or any malfunction, failure, or defect resulting from misuse, abuse, neglect, alteration, modification, or improper installation. To the fullest extent permitted by the applicable state law, Top Greener shall not be liable to the purchaser or end user customer of Top Greener products for direct, indirect, incidental, or consequential damages even if Top Greener has been advised of the possibility of such damages. Top Greener's total liability under this or any other warranty, express or implied, is limited to repair, replacement or refund. Repair, replacement or refund are the sole and exclusive remedies for breach of warranty or any other legal theory.

## WARNING

Turn the POWER OFF at the circuit breaker before installing the receptacle.

Read and understand these instructions before installing. This device is intended for installation in accordance with the National Electric Code and local regulations. It is recommended that a qualified electrician performs this installation. Make sure to turn off the circuit breaker or fuse(s) and make sure power is off before wiring the device.

Use copper wire only.

This USB receptacle CANNOT be used if the outlet you are replacing has the top and bottom outlets controlled by separate circuit breakers.

## INSTALLATION

There are two ways to wire the receptacle:

1. Loop wire around terminal screws and firmly tighten terminal screw.  
OR
2. Insert wire(s) through terminal holes in the back, then tighten terminal screws. Use this method when attaching 2 wires to same terminal.

- Connect HOT wire to the HOT terminal (brass screw).
- Connect NEUTRAL wire to the NEUTRAL terminal (silver screw).
- Connect GREEN or BARE wire to the GROUND terminal (green screw).

Safe charging: Protects from over-current, over-charging, and short circuit. USB Type C charger requires Type C certified cables and compatible devices for optimum charging time. Depending on your device, use of cables other than Qualcomm® Quick Charge™ device, this charger will only charge at the fastest speed available without using the Qualcomm® Quick Charge™ technology.
