Celadon Haze 1

D2782S55636-4690

Celadon Haze 1 is a whimsical work reminiscent of Cy Twombly's creations from the mid-1950s. Echoing Twombly's signature style, it features hand-sketched elements, whimsical doodles, and rich clumps of vibrant white paint on canvas. The piece resonates with a visual poetry, and its subtle color scheme of pewter, stormy grey, and charcoal with a pop of burnt orange adds a playful tone. A mesmerizing work of art on canvas, Celadon Haze 1 is a stunning addition to ART by TA. Pairs beautifully with Celadon Haze 2.
