NOTICE:

Basic precautions should always be followed when using this product. Please read all instructions before using the cabinet and retain the education for future reference.

Failure to observe all instructions and warnings may cause severe property damage or personal injuries.

When unpacking, please be careful don't cut too deep to damage the products in the box. Just use the blade to scratch the parcel tape.

Check the product and hardware accessories in the box; and confirm whether the instructions are complete.

When installing, please pay attention to the protection of the parts. The soft material must be placed under the product, and please carefully handle it to avoid surface damage.

After the assembly is completed, please adjust the placement position according to the actual situation.

Keep children away from cabinets, accessories, and installation tools. They are at risk of injury to the child.

Two people are recommended for assembly.

If you need the electronic manual, please contact our customer service to get it. (US:changyingguoji3@hotmail.com; UK:prochainuk@outlook.com; DE:prochainuk@outlook.com)
