---

**WALL CLOCK:** This Postema Oversized Wall Clock is made of wrought-iron, finished in aged black with applied antique-gold numerals to compliment your home décor. The clock's quartz movement makes a soft ticking noise without the use of chimes for a quieter environment.

**DURABLE:** This indoor modern clock is created to last. It has a sturdy metal frame to relieve stress in a busy household. Display it in your kitchen, office, bathroom, bedroom, living room, and more.

**HIGH QUALITY:** The circle design is oversized to ensure you can read the time anywhere in the room. The hands are finished in antique gold to feature an open fret-cut diamond style. The traditional Roman numerals feature IIII instead of IV.

**MOVEMENT:** It is powered by quartz movement and requires one AA sized battery. Ships in two easy-to-assemble sections via UPS or FedEx.

**HOWARD MILLER:** Founded in 1926 and still family-owned in its third generation, Howard Miller is the world's leading clock company and a respected brand name in fine specialty furnishings such as curio cabinets, wine & bar furnishings, custom storage cabinets, and SmartMoves® adjustable height desks.
