7. If you want to replace the light bulb, please kindly note that the maximum accepted wattage is 60W.
8. Please stop using it if there are any defective issues found in the product.

Read all instructions before using

Use Tips:

1.The table lamp is metal and fabric, please be careful don't use too much force when you assemble and install it.

2. When you don't use the lamp, please switch off the power switch which will extend the lifetime.

3.The switch of the table lamp is push button on the base to control the power of the whole lamp. There may be some sensitivity.When the lamp is not in use, try not to touch the lamp holder when plugged in.

Important Instructions:

To reduce the risk of fire, electric shock, exposure to excessive UV, radiation, or injury to a person.

When using electrical appliances, basic safety precautions should always be followed.

1. Before replacing the bulb, turn off/unplug the power.

2. Do not look directly at the lighted lamp.

3. Keep the lamp away from material that may burn.

4. Do not touch the bulb while it is lit or immediately after turning off the lamp.

5. Do not use outdoors, or in locations with high humidity, such as bathrooms.
