

These pieces must be sealed or finished on all surfaces within 48 hours of removing shrink wrap. When sealing with mineral oil or conditioner, apply an even, liberal coat of conditioner on all surfaces and let absorb. Wipe off any excess with clean towel. Re-apply as necessary.

If you are staining your block, make sure to stain before using any other finishing product. Pre-stain conditioner may be used if you wish.

If you notice any grain raise with oil or other sealants, you can lightly sand the top with fine grit sand paper. General use and cleaning of this top will require frequent application of conditioner or mineral oil to extend the life of the product. Frequency may range from every few weeks to every few months.

Warranty

This product comes with a 90 day limited warranty. It can be exchanged or refunded if the product has delaminating staves, joint separation, or any other damages because of faulty fabrication. The product warranty will not cover product damage due to improper storing, handling, alteration, or installation. Any damage due to transportation must be reported immediately. If upon receipt the packaging appears to be damaged please unpack immediately and check for potential damage.
