Statement on Product Warranty (U.S.A.)

Limited Warranty

Subject to the Conditions and Exclusions, Climate Technologies Pty Ltd provides the original purchaser with the following warranty:

Climate Technologies Pty Ltd warrants the Compressor for Seven (7) years & Three (3) years on parts from the date of purchase. During these periods, a defective appliance or defective parts will be repaired or replaced free of charge at the election of Climate Technologies Pty Ltd.

1. Conditions and Exclusions

- A. This warranty only covers Ductless Mini Split air conditioner products that are Brand owned by Climate Technologies Pty Ltd and purchased in the U.S.A.
- B. The warranty does not cover installation components that may be attached to the Ductless mini split air conditioner products Brand owned by Climate Technologies Pty Ltd. These items remain solely the responsibility of the installer / owner.
- C. This warranty is only valid if the appliance is installed and operated in accordance with the manufacturer’s instructions and for its designed and intended purpose at the nominated phase, voltage, and frequency.
- D. Product fitness for purpose and overall system design / Heat Load calculation are solely the responsibility of the installer / owner. This includes but is not limited to cooling capacity heat load calculations, air flow, etc.
- E. Industrial or commercial use of this product will void the warranty. The appliance is designed for domestic use only.
- F. The product must be installed by a qualified person in the manner prescribed by local and statutory regulations and to the manufacturer’s specifications.
- G. Warranty will only be given where proof of purchase is provided by the original purchaser and Climate Technologies Pty Ltd is satisfied that the appliance is within the warranty period.
- H. Warranty will not be provided where in Climate Technologies Pty Ltd opinion:
 - a. There is nothing wrong with the appliance.
 - b. The defective operation of the appliance is due to failure of electricity.
 - c. Defects are caused by neglect, incorrect application, abuse or by accidental damage of the appliance.
 - d. An unauthorized person has attempted to repair the appliance.
 - e. The appliance has been changed or modified in any way.
 - f. A situation arises referenced in the trouble-shooting guide.
 - g. Damage caused by elements such as wind, rain, lighting, floods, etc. along with power spiking and brownouts are not considered defective material or workmanship and as such are not covered by our warranty.
 - h. If there is no certificate of compliance for plumbing or electrical work, Climate Technologies Pty Ltd reserves the right to refuse warranty on non-compliant installations.
 - i. No responsibility will be accepted for outside elements such as pests, animals, pets, and vermin that may cause damage to the unit.
 - j. Harsh environmental situations such as salt air that may cause damage are not covered.
 - k. Responsibility or liability is not accepted for damage to contents, carpet, walls, ceilings, foundations or any other consequential loss or damage of whatever nature either direct or indirect resulting from installation, operation, or misuse of the appliance.
 - l. Parts replaced under warranty are warranted for the balance of the original Warranty Period.
 - m. All warranties are non-transferable.
 - n. The benefits conferred by this warranty are in addition to warranties and other rights in respect of the appliance, which the consumer has under State and Federal laws. This warranty must be read subject to that legislation and nothing in this warranty has the effect of excluding, restricting, or modifying those rights.
