

™

The VIGO Limited Lifetime Warranty covers you for the life of your product based on manufacturer's defect. At VIGO, we aim to exceed the standards of our customers. We guarantee excellence in manufacturing and customer satisfaction – from testing and production, to the sale and any post-installation needs of each VIGO product.

Plated Finish Consistency Guarantee™

Our Plated Finish Consistency Guarantee™ ensures that all VIGO products are plated under one roof to guarantee consistency in color and finish**. This means you can feel confident pairing a stainless steel faucet, deck plate and soap dispenser in your kitchen, knowing they will all match perfectly.

**Due to different computer monitors/calibrations, colors may vary slightly from the picture.
