3 Put on the sofa cover. Be careful to loosen all the zippers first.
The mesh goes on the bottom of the couch.
Suggestion: you'd better not remove the protective strip before finish putting the cover on.

4 Secure the legs of the sofa.

5 It can be used as a left seat as well as a right seat.

6 Apply the connection buckles to connect the seats together (or not, it's totally up to users).

Secure the legs of the sofa.

The diagram shows the mesh being secured to the legs of the sofa. A screw is shown being inserted into a hole in the mesh, which is then secured to the leg of the sofa.

6 Apply the connection buckles to connect the seats together(or not, it's totally up to users).
