Parts List

Step 1 Prepare All Panels

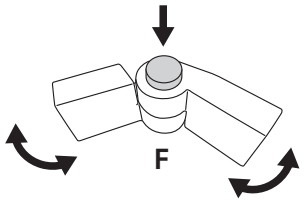

Place all panels on a clean and flat surface.

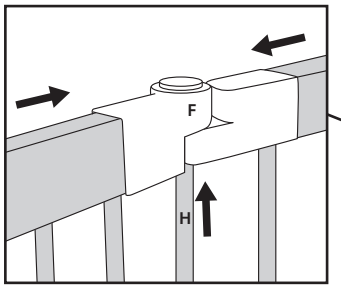

Arrange the panels according to your desired enclosure shape.

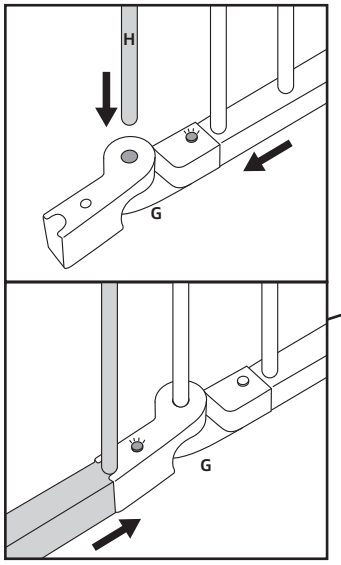

Recommended configurations:

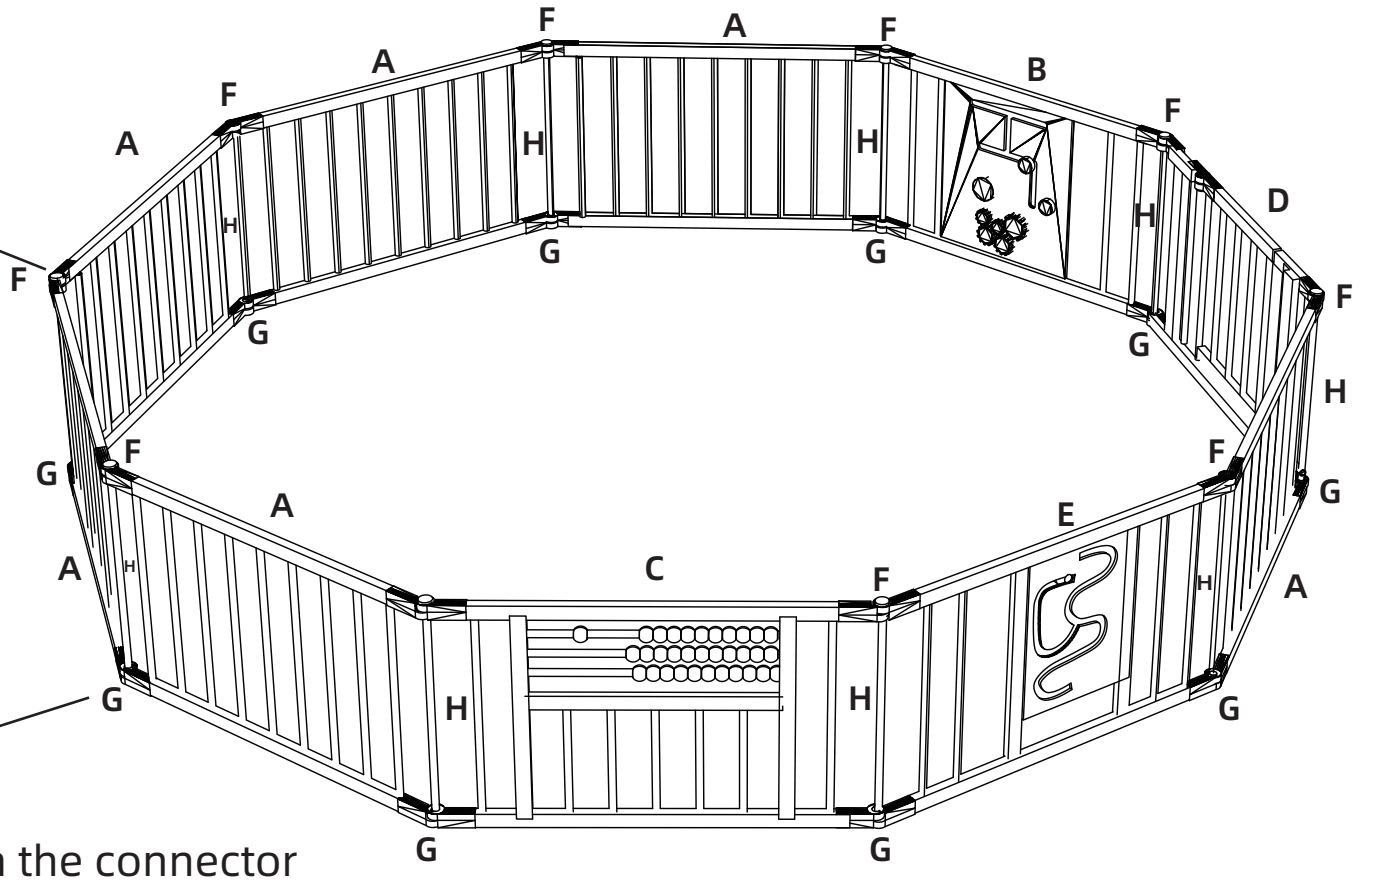

- Rectangle
- Square
- Hexagon
- Other stable shapes

Step 2 Connect Fence Panels

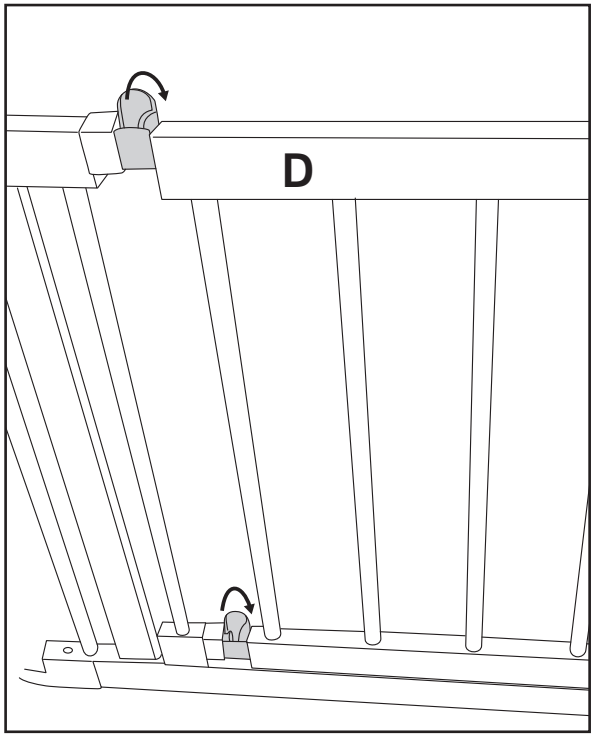

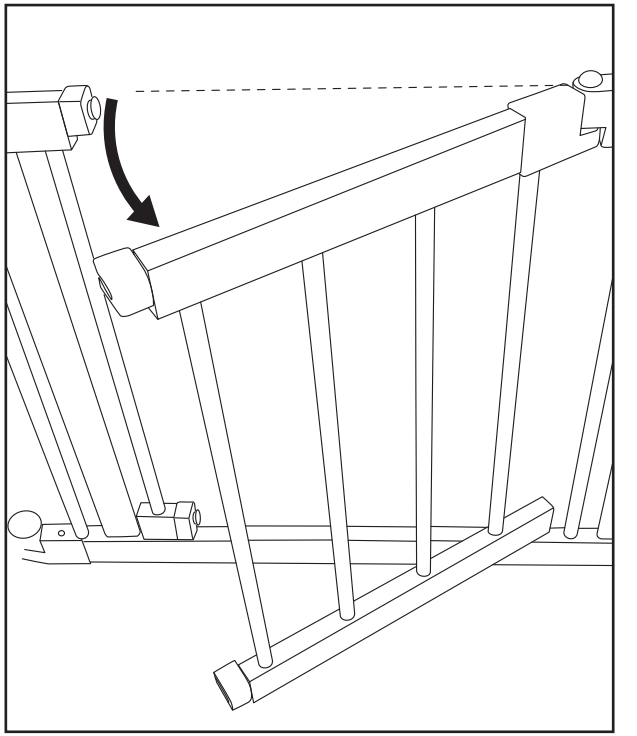

Push the connector completely into position until fully seated.

Operating Instructions

Opening and Closing the Door

- Release the locking mechanism.
- Open the door carefully.
- Close the door completely.
- Make sure the locking mechanism is fully engaged before use.
- Never allow a child to operate the locking mechanism.

Safety Instructions

- Check that all connectors are fully installed before each use.
- Keep hands and fingers away from the hinges and connectors during assembly and folding.
- Place the enclosure on a flat, stable, and level surface.
- Fold and unfold the enclosure carefully to avoid damage.
- Inspect the enclosure regularly and replace damaged parts before further use.

Before Each Use

Always inspect the enclosure before placing your child inside.

Check that:

☐ All panels are securely connected.
☐ All locking mechanisms are fully engaged.
☐ All connectors are securely installed.
☐ No parts are loose, damaged, or missing.
☐ The enclosure is placed on a flat, stable, and level surface.

IMPORTANT:

Do not use this product if any part is damaged, missing, or improperly installed.

Cleaning and Storage

Cleaning and Maintenance

- Clean with a soft damp cloth.
- Use mild soap if necessary.
- Do not use bleach or abrasive cleaners.
- Inspect all connectors and locking mechanisms regularly.
- Stop using the product if any part is damaged or missing.

Folding and Storage

- Remove the child and all toys from the enclosure.
- Fold the panels carefully toward the inside.
- Keep fingers away from the hinges while folding.
- Store the enclosure in a clean, dry place.

CAUTION: Keep hands and fingers away from the hinges during folding to avoid pinching.
