

## SETHOS CHANDELIER, LARGE 9125

DIMENSIONS: 67hx 28w

MATERIAL: Wrought Iron/Glass

FINISH: Old Iron/Recycled Glass

FREIGHT INFORMATION: Motor Freight

ITEM WT: 31

PKG WT: 114

### FEATURES:

A very tall version of the Sethos Chandelier with its recycled glass discs and wrought iron framework makes it a great candidate for tall narrow spaces where a striking statement is needed. The allure of glass and the creative use of another natural material of wrought iron hold a fascination for the beholder. And by using recycled glass, this piece offers sustainability as well as beauty.
