

VIDIEM VERSA PRIDE 750 WATTS - 110V WITH 3 JARS

The Vidiem Versa Pride is a sleek, durable, and powerful (750 Watts Heavy Duty Aria Cool Tec Motor-Patent Pending, 110V) Mixer-Grinder.

The appliance features 3 variable speeds and 1 pulse mode. Designed for use in the USA and Canada.

Comes with three durable stainless steel jars (0.5L, 1.0L, and 1.5L) each fitted with multipurpose cutting blades and lids.

The dynamically balanced Vortex Flow SS 304 Stainless steel blades will allow you to liquefy, grind, grate, crush, etc. Suitable for even the toughest ingredients.

Ideal for crushing ice, mincing meat, grinding coffee, and for making masala, idly, dosa, vada batter, soups, and milkshakes.

Self-Locking Jars with the ergonomic handles ensure secure fitting of Jar with Mixer Base allowing to quickly engage and release.

Self-aligning couplers, high strength & designed to withstand the high torque and load required for tough grinding applications.
