Assembly Preparation

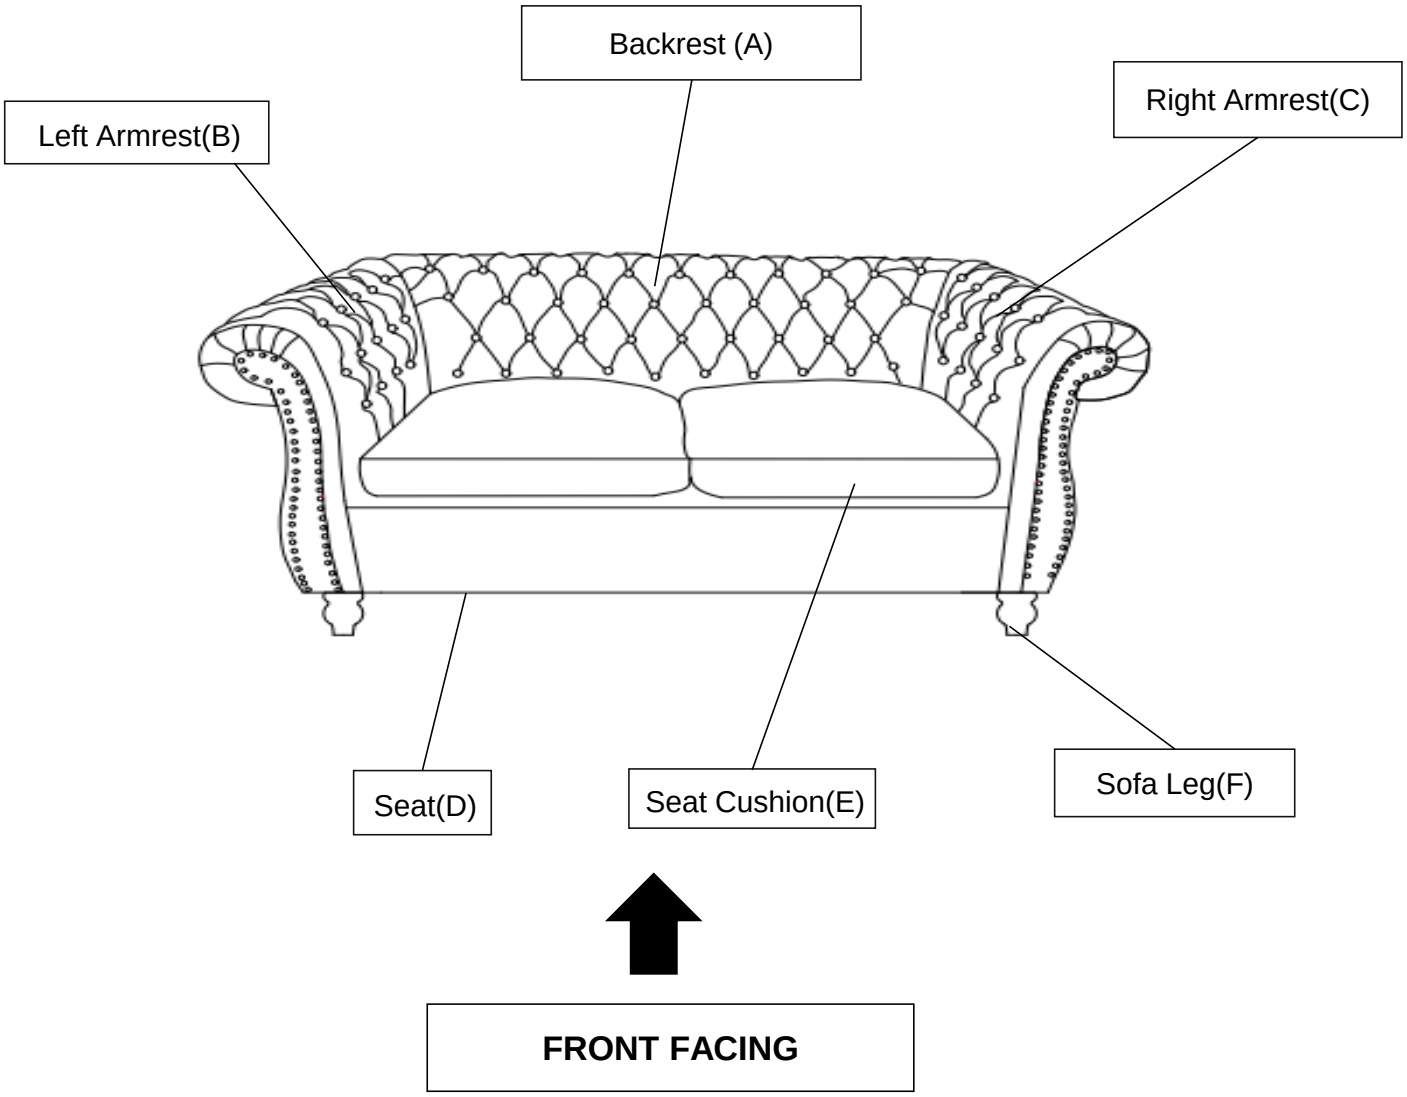

Before Beginning Assembly:

- Read instructions, cover to cover-
- Have 2 adults on hand for assembly-
- Do not assemble on flooring or carpet-
- Assemble on a clean non-marring surface (packing foam)-
- Save all packaging until finished-

Assembly Steps

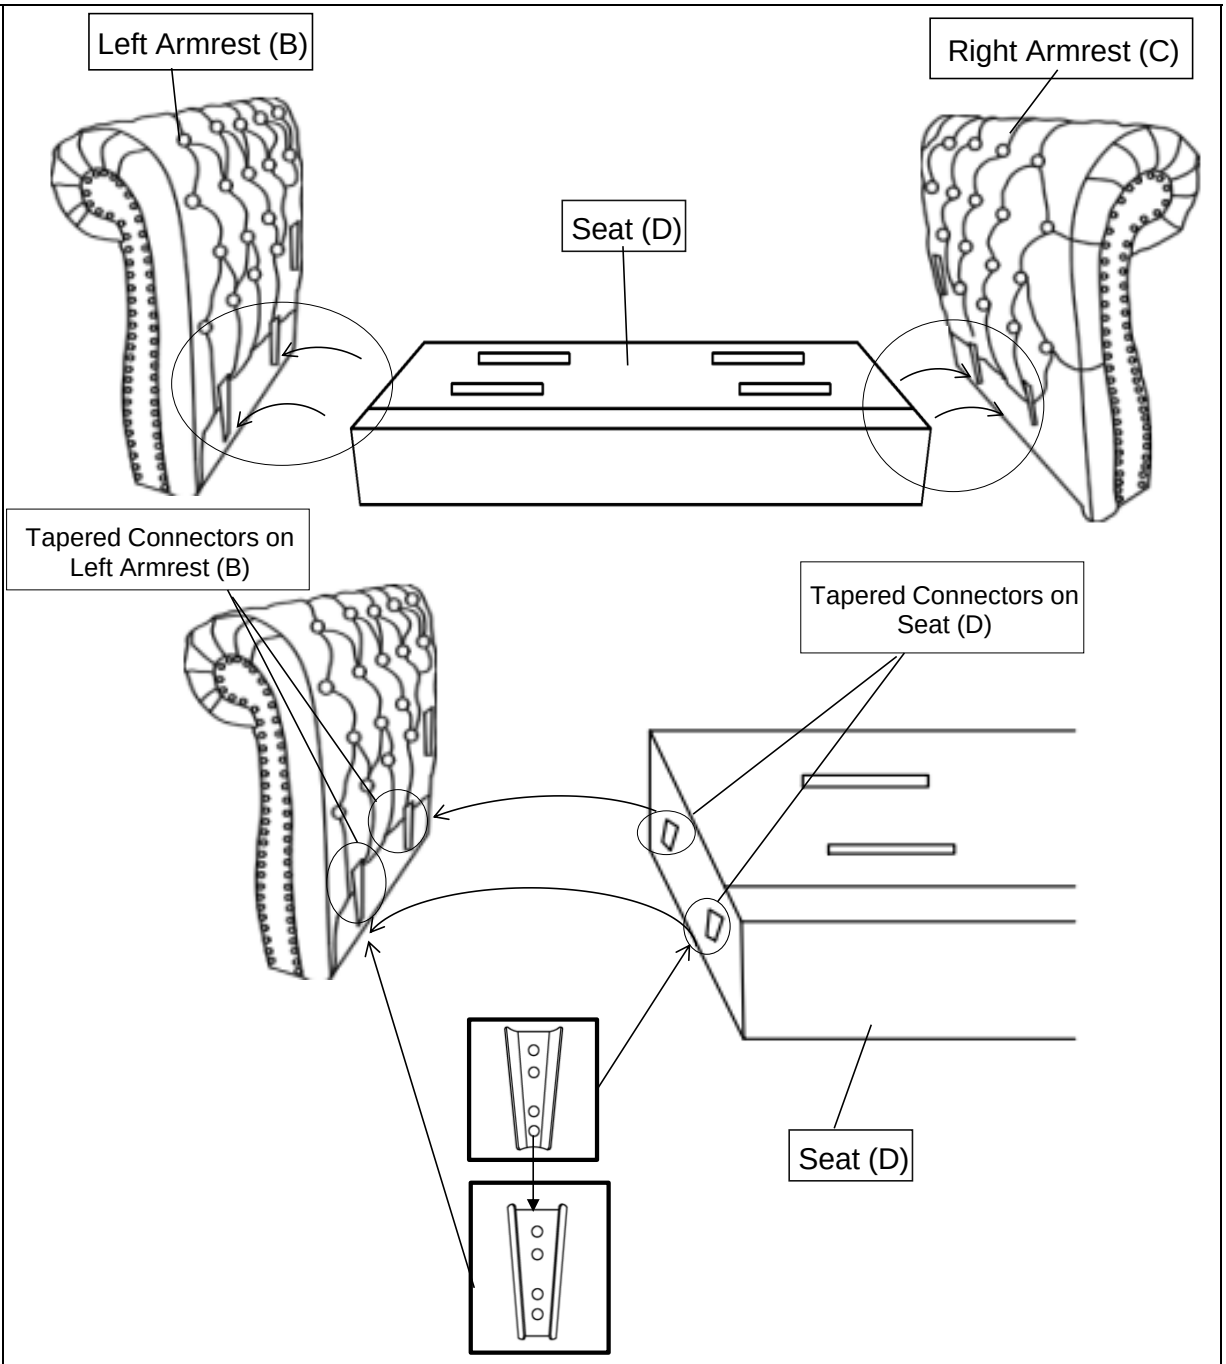

Overview

This Sofa has multiple parts and may require up to 60 minutes to assemble. To give you an overview of the Sofa, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

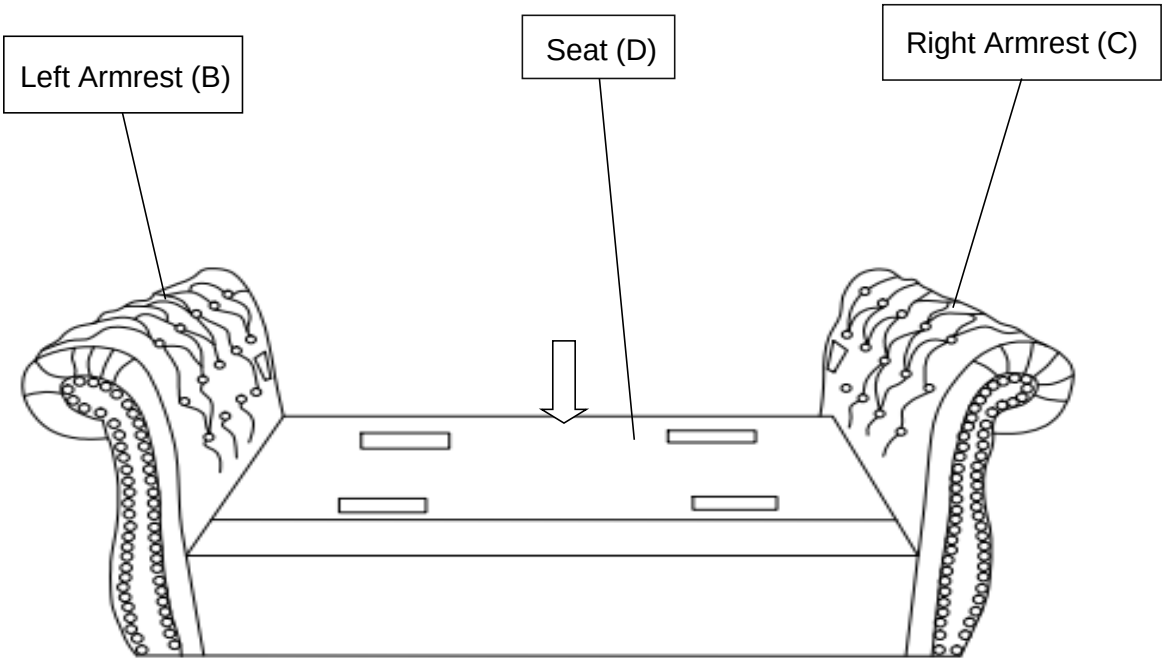

Note: It is recommended that you have an adult partner to assist during the entire assembly process.

Step 1

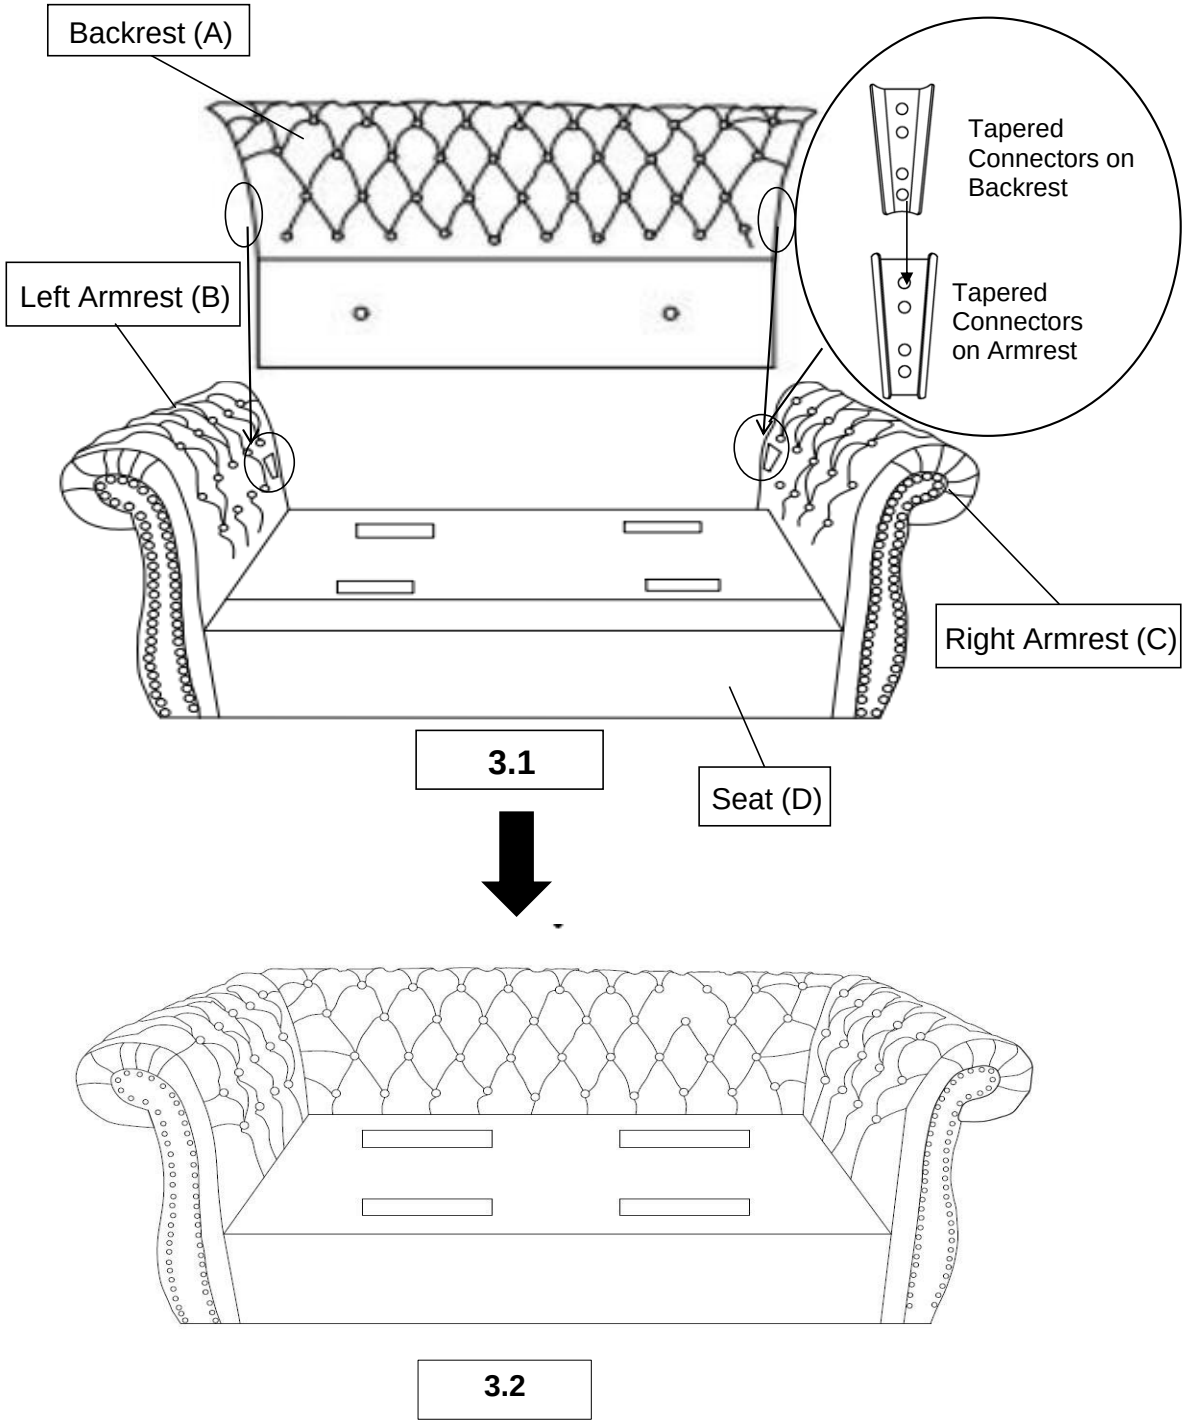

Open the carton and place all the parts on a clean, non-marring surface.
With the assistance from your partner, slide the Tapered Connectors on the Seat(D) into the Tapered Connectors on the Left Armrest(B) as shown in the picture.
Repeat the same process with the Right Armrest(C).
Note: Make sure the Tapered Connectors on Left Armrest(B) and Right Armrest(C) lock into the Tapered Connectors on the Seat(D).
Assistance from an adult partner is needed for this assembly process.
During this assembly process, exercise caution. You may need to use your hand to press down and/or pave away the padded surface to facilitate the 'slip and slide' assembly.
Exercise Caution to ensure that your fingers do not get caught or pinched.

Step 2

Push the Seat(D) downwards until it is fully slotted and locked into position in the Armrests.
Fully locked postion: Check that the base of the Armrests(B&C) and Seat(D) are aligned and level.

Step 3

With the assistance from your adult partner:

3.1) Lift the Backrest(A) up, make sure the Backrest(A) is vertical and aligned to the Seat and Armrests from **Step 2**.

Align the Tapered Connectors on the Backrest(A) with those on the Left Armrest(B) and Right Armrest(C).

Your adult partner may need to push the Armrests inwards to the Backrest(A) to allow for better alignment.

Slip and Slide the Backrest, in a gradual and balanced manner into the Tapered Connectors.

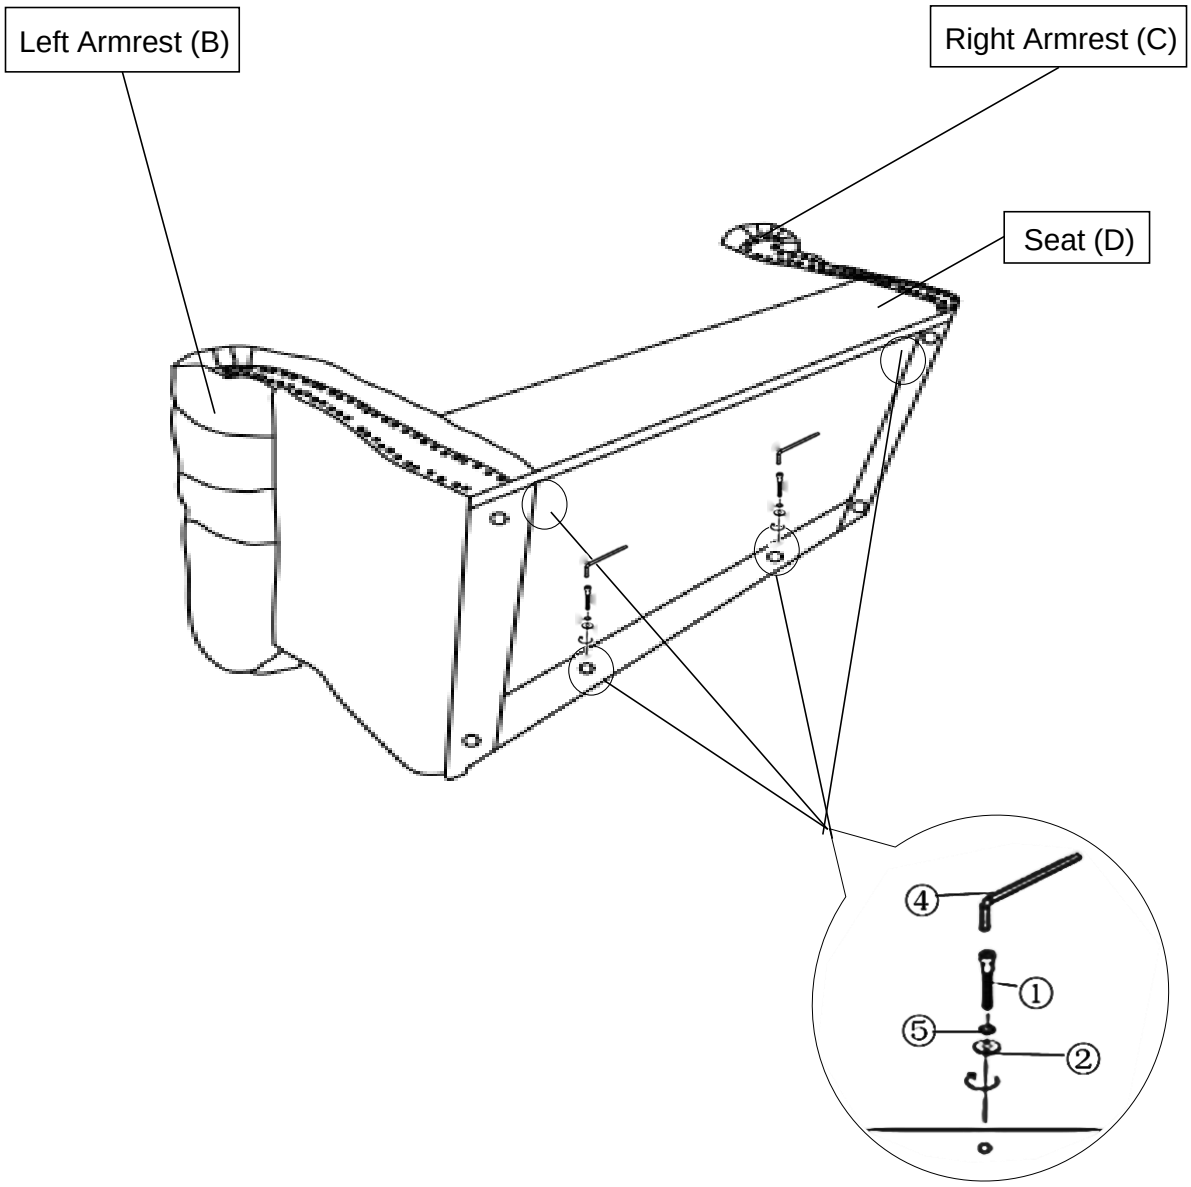

3.2) Push the Backrest(A) downwards until it is fully slotted and locked into position.

Note: Make sure the Tapered Connectors on the Backrest(A) lock into the Tapered Connectors on Left Armrest(B) and Right Armrest(C).

Fully locked postion :Check and assess that the base of the Armrests(B&C) and Seat(D) are aligned and level.

Assistance from an adult partner is needed for this assembly process.

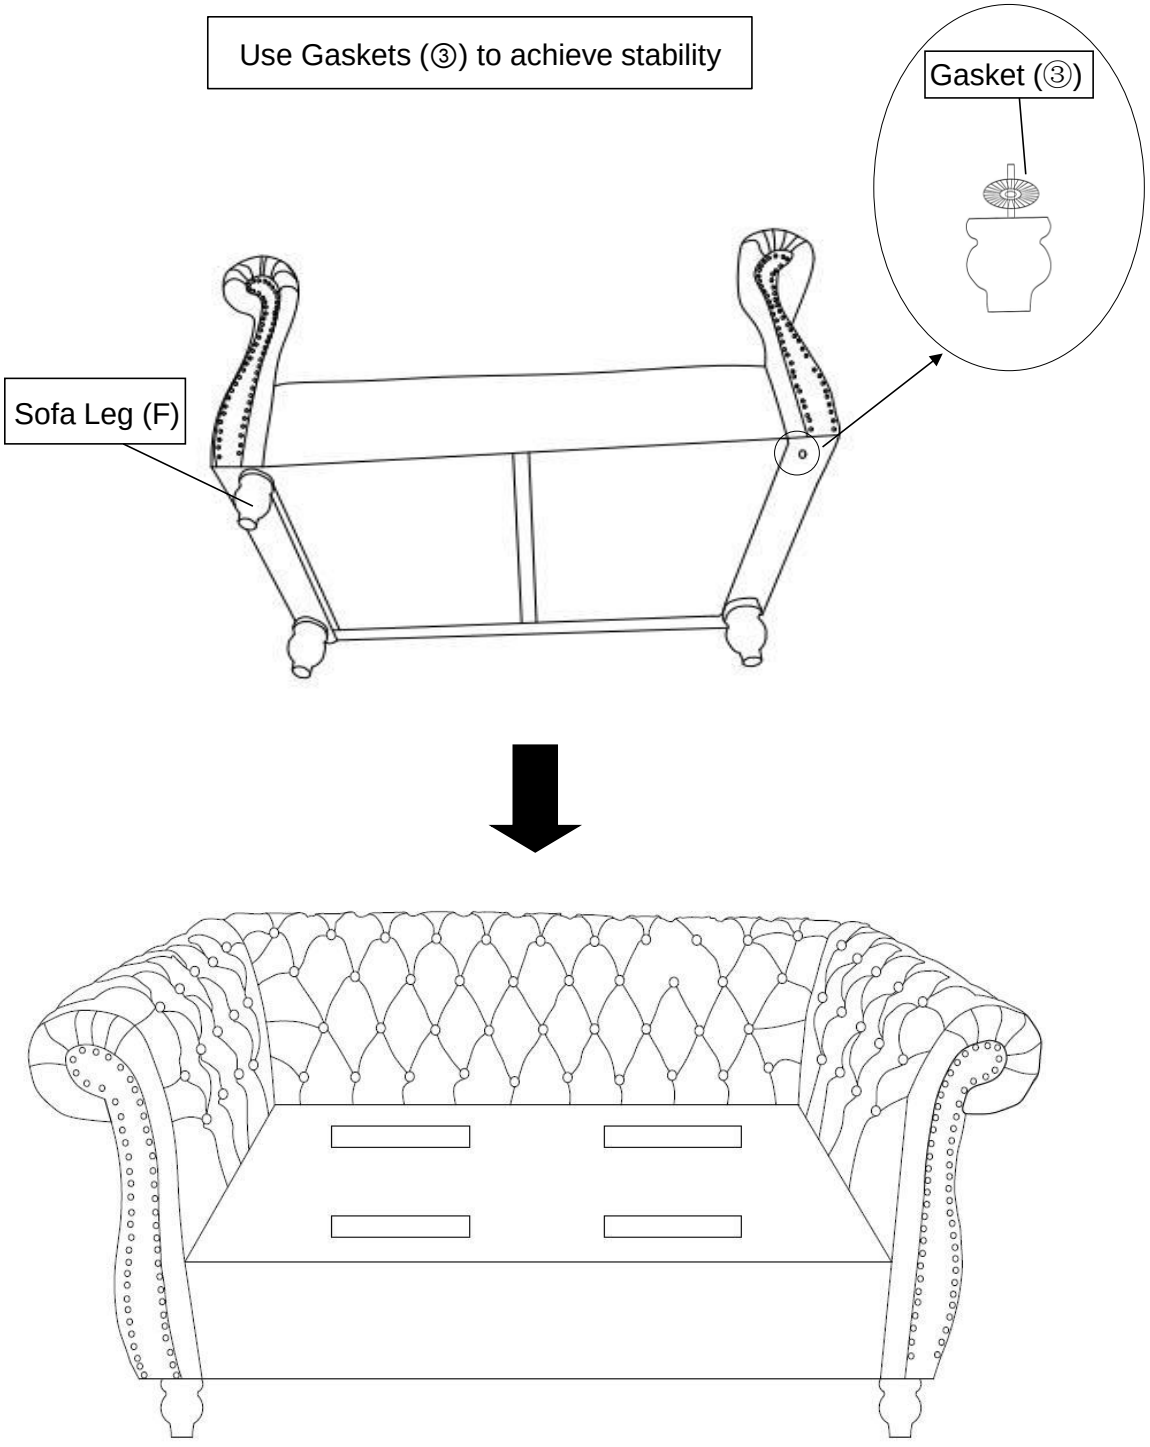

Step 4

Tilt and lay the Sofa on its Backrest(A) onto a flat surface.
Attach Seat(D) to Backrest(A) using Bolts(①), Spring Washers(⑤), and Washers(②) with Allen Key(④) as pictured above.
Then, attach Seat(D) to Left Armrest(B) and Right Armrest(C) using Bolts(①), Spring Washers(⑤), and Washers(②) with Allen Key(④).

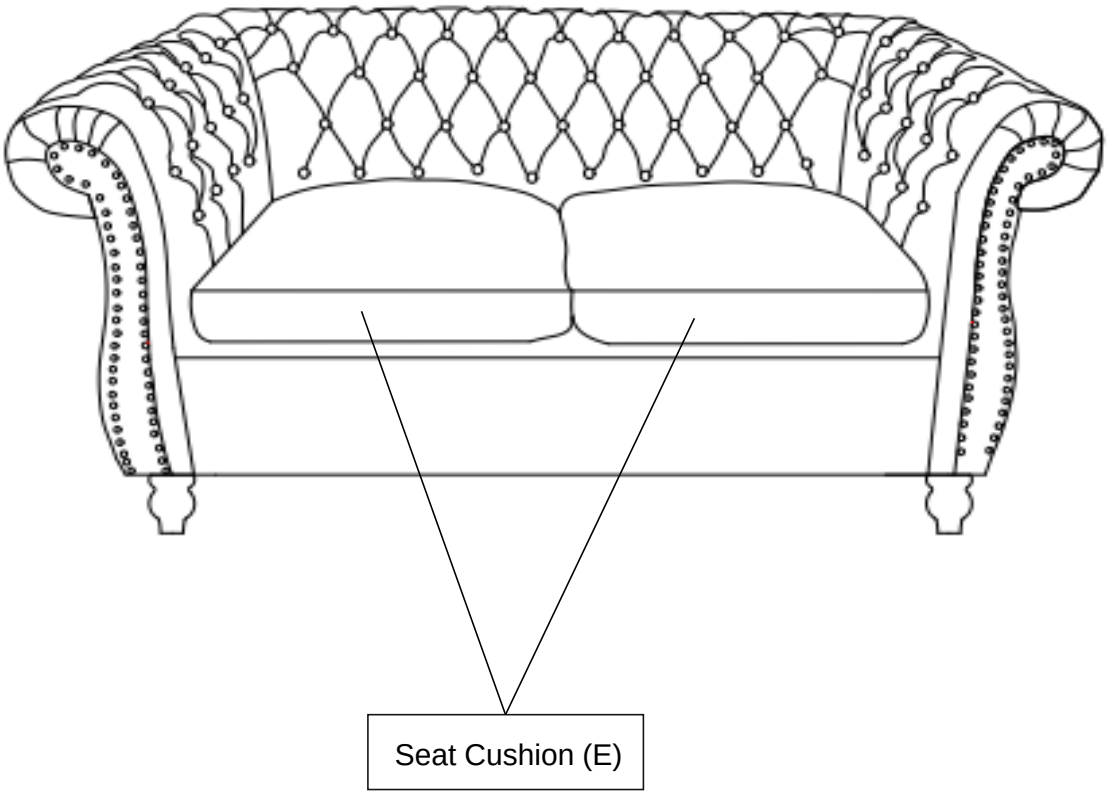

Tighten the Bolts fully in a sequential manner.
DO NOT fully tighten a Bolt in one go and then move on to the next.
Rather, In a sequential manner, gradually tighten each Bolt until all Bolts are evenly secured.
This methodology will ensure maximum evenness once all Bolts are fully tightened.
Note: If you can not insert the Bolts into position, please back to Step 3 to "push Backrest downwards".

Step 5

Install the Sofa Legs(F) at the bottom of the Sofa by placing one Gasket(③) on the threaded stem.
Then insert threaded stem into the threaded mounting postion at the corner of the Sofa.
Tighten by turning the Leg clockwise.
Note: The use of Gaskets are OPTIONAL and are especially useful to help alleviate slight wobbles. Some Legs may need more than one whilst some Legs may not need any.

Step 6

Place the Seat Cushions(E) onto the Sofa.
Your Sofa is ready for use.
This Sofa can only be used on a flat, level surface.

Care &Maintenance

- Do not put hot items directly on furniture surface

- Do not clean furniture with harsh cleansers or polish.
