1

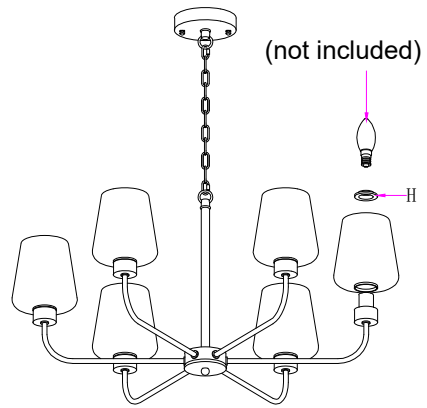

2

Step 2
 1. Connect the power wire of lamp body to the reserved Power cable, pay attention to the positive and negative poles
 2. After connecting the wires properly, use M4 nuts (D) to fix the lamp body on the ceiling.

3

Step 3:
 Finally, lock the glass lampshade (I) onto the lamp body with the locking ring (H), and then install the E12 bulb (not included) to complete the installation.

Step 1:

1. Fix the hanging plate (A) into the ceiling with self-tapping screws (B).
2. Then, connect the hanging rod (F) with the lamp body (G), and then connect the hanging chain (E) with the hanging rod (F) and the suction cup (C).
