KEY FEATURES

Dimmable

Indoor and outdoor use

Up or down LED lighting

4" LED up and down round cylinder, 28W,
3000°K, 1967 Lumens

SPECIFICATIONS

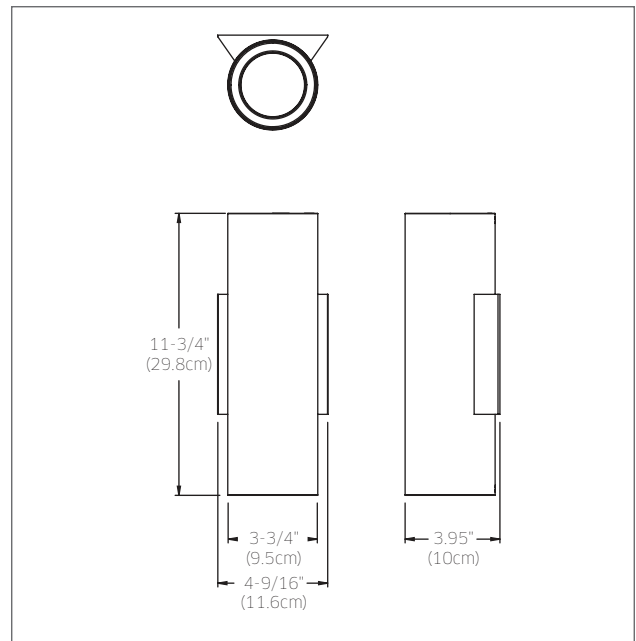

- The cylindrical housing is fabricated of extruded aluminum.
- The fixture canopy is fabricated of die-cast aluminum.
- The LED module is mounted on an aluminum heat sink to maximize heat dissipation and extend product life.
- The cylinder comes with 3 optical options
 - Bright aluminum reflector that provides a 45° beam spread
 - Frosted glass lens to allow a wider beam spread
 - Die-caster aluminum cap to allow a down only version
- The luminaire is sealed with a clear tempered glass lens to assure weatherproof operation.
- All components undergo a rigorous pre-paint treatment and are coated with baked powder coat paint, giving them a highly durable finish.
- 90 CRI.
- Warm white light output.
- Integrated dimmable driver.
- Title 24 compliant.
- ENERGY STAR certified.

INSTALLATION

- Fits on a standard 4" octagonal junction box.
- Can be installed in indoor and outdoor applications.
- Non-visible hardware.
