DESIGNED BY KASPER NYMAN

## ENGLISH

Designed with attention to the essentials and an appreciation of the material, the Soma chair brings a timeless presence and softness to any contemporary space. The sleek lines of the seat and back are comfortably embraced by the roundness of the legs and the elegant joints. Forming harmonious proportions.

Created using traditional techniques, the design of Soma is rooted in the classic Scandinavian design heritage with a new interpretation of sophistication and simplicity. Its name "Soma" is derived from the Finnish word for adorable and lovely, perfectly encapsulating the charm and warmth of the design.

The Soma chair is available in different finishes. The dining chair comes with and without a fixed upholstered leather seat.
