How to Install

1. Install the inner track with fixed feet onto the top panel of the wardrobe. (Note: The inner track should be recessed 0.2in into the wardrobe.)
2. Install the outer rail with a clothes hanger back onto the inner rail. (Note: After installation, pull it out and push it in several times to check the smoothness. If it does not feel smooth, reinstall it. When reinstalling, pinch the middle of the outer track slightly with your hand to ensure it is properly installed.)

Application

This product is suitable for closets, storage cabinets, kitchens, bathrooms, etc. It maximizes the use of space.

Notes

1. Please check the product size before ordering to make sure it fits your needs.
2. Please use the product within its weight capacity to avoid damage.
