GENERAL CARE GUIDE FOR HAMMOCK PAD & PILLOW

Save this guide for future reference.

INSTALLATION

The hammock pad and pillow set is an accessory for most spreader bar rope hammocks.

Proper installation and care will prolong the life of the pad and pillow set.

1. Tie the hammock pad to the bed ropes only, ensuring the pad is not taut. Leave enough slack between the tied points to prevent the ties and fabric from ripping when the pad is laid upon.
DO NOT tie the hammock pad to the spreader bars or hanging ropes.
2. The pillow may be tied to the spreader bar or the hammock bed ropes. Do not secure the ties too far apart as it may cause them to rip from the pillow.

USE & CARE

- **INSTALLATION & USE:** Proper installation will prevent damage to the fabric and ties. Slowly sit on the installed pad; if it sounds like ties, fabric or seams are ripping, stand up and adjust the ties to allow for more slack when the pad is laid upon.
- **SUN EXPOSURE:** All fabrics will eventually fade and degrade from sun exposure. The less direct sunlight the fabric is exposed to, the longer the life of fabric will be.
- **INSPECT:** Before each use, inspect the fabric for wear or weakness.
- **CLEANING:** Clean when soiling or staining is present, and before storing.
- **STORAGE:** Store indoors in a dry location during inclement weather, winter, and when it will not be used for an extended time. Ensure it is completely dry before storing to prevent mold and mildew growth.

CLEANING

HAND-WASH ONLY

DO NOT USE BLEACH OR FABRIC SOFTENERS

DO NOT TUMBLE DRY

DO NOT DRY CLEAN

DO NOT IRON

Spot clean with a damp cloth. For heavily soiled fabric, gently scrub using warm water, mild soap and a soft-bristled brush. Rinse away all soap residue and air-dry.

SAFETY STATEMENTS & WARNINGS

- Before each use, inspect your hammock pad for wear or weakness. Do not use if the fabric is torn.
- Do not tie the hammock pad to spreader bars or hanging ropes.
- Hand-wash only. Do not machine wash or tumble dry the pad or pillow.

Any modification to the product or failure to follow recommended care will void the product warranty.
