## Lunch Time Splash 2

D2499S49965-4044

Lunch Time Splash 2 is a diminutive striking print that interlaces the surreal with the real. An elegant figure wearing a formal gown is poised in fluid movement that intensifies the impression of effortless weightlessness. A rich array of brushstrokes, patterns, and interplay between light and shadow amplify the texture of the work. A minimal color scheme in clearly delineated sections of pale steel blue and graphite provides a marked visual contrast. An elegant companion to Lunch Time Splash 1, passionate imagery and a subdued color palette create a compelling call to reflection in this work of art on textured paper. Part of the carefully curated and exclusive ART by TA Collection.
