# Safety precautions

## WARNING:

**Read this instructions** before using this product. Failure to do so can result in serious injury. the basic precautions should always be followed, including the following:

1. The plastic dump garden cart may not be used or stored in hazardous areas. It is not allowed to use the appliance in hazardous locations.

2. The plastic dump garden cart must be checked to ensure that it is in proper working order and is operating safely prior to use. Otherwise, the appliance must not be used.

3. Use as intended only. The plastic dump garden carts are not suitable for loading corrosive materials. Because they will plastic dump the material on garden cart.

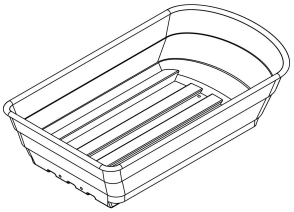

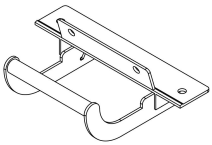

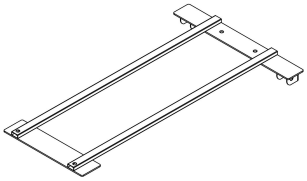

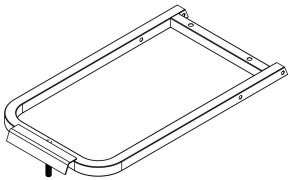

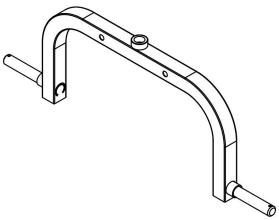

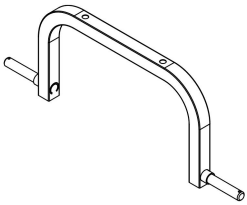

4. The operator must use the plastic dump garden carts properly. He must consider the local conditions and must pay attention to third parties, in particular children, when working with the plastic dump garden cart.

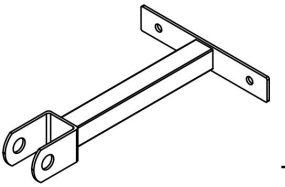

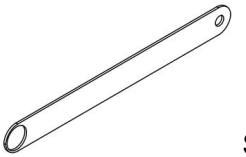

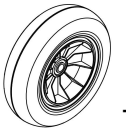

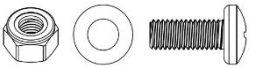

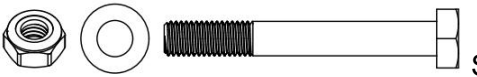

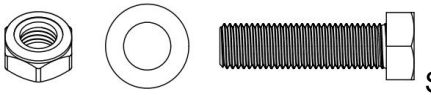

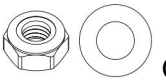

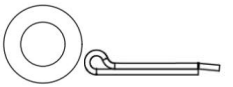

5. This plastic dump garden carts is not intended for use by persons (including children) with reduced physical, sensory or mental abilities or lacking experience and/or knowledge, unless they are super- vised by a person responsible for their safety or are instructed by these persons on the use of the device. Children should be supervised, to ensure that they do not play with the plastic dump garden cart.

6. Please use the Plastic Dump Garden Carts according to the weight indicated in the manual. Do not load more than the marked weight, as this will damage the Plastic Dump Garden Cart.
