Instructions for use:

1. Input voltage: AC110-240V 50/60Hz
2. Before installation, please power-on test and work normally before installation.
3. Pay attention to the combination of glass.
4. The remote control battery needs to be equipped by yourself. Be careful not to reverse it, otherwise it will not work.
5. It is forbidden to use it in a humid environment.
6. It is recommended to clean the lamps regularly
