

April 11, 2023

To whom it may concern:

I, George Remington, of Uniek, Inc. hereby certify that the article attached is Canada SOR/2021-148 compliant, U.S. TSCA Title VI compliant, and CARB Phase II compliant.

I further confirm that the certification of the approved materials was conducted at the mill level by an approved third-party certifier (TPC), and the required importation certificates have been provided to US Customs and Border Patrol at time of importation.

Sincerely,

George Remington  
Compliance Specialist
