

FEATURES:

1. The Juicer is a manual type product based on lever principle for juicing soft and juicy fruits like pomegranate/citrus etc.
2. Dimensions: 27.5cm(L)*18.5cm(W)*39.5cm(H)
3. Net Weight: around 8.5kg
4. Food grade SUS304# stainless steel strainer, safe for health
5. Heavy-duty extra wide cast iron base with silicon suction feet, steady operation.
6. User friendly soft handle
7. Stainless steel bowl can be removed to clean easily.

MAINTENANCE:

1. Remove the strainer and basket from the juicer by pulling up on basket. Clean them using hot soapy water, then rinse and dry thoroughly. These parts are dishwasher safe.
2. Wipe the juicer using hot soapy water, then rinse and dry thoroughly. For optimal performance the juicer and its parts should be cleaned after each use.
3. Lubricate the main vertical shaft and lever joint periodically to prevent stiffening. Regular cooking or vegetable oil may be used.

USER MANUAL FOR JUICER

[WARNING]

- BEFORE USING THIS JUICER, PLEASE READ THIS MANUAL THOROUGHLY AND CAREFULLY. PLEASE KEEP THIS MANUAL IN A SAFE PLACE AFTER READING FOR FUTURE REFERENCE.
- NEVER PLACE FINGER INSIDE OR NEAR THE STRAINER WHEN PRESSING DOWN THE HANDLE AS FINGER PINCHING CAN OCCUR!
- TO AVOID POSSIBLE INJURY, PLEASE RETURN THE HANDLE TO THE DOWN POSITION AFTER USING!

OPERATING INSTRUCTIONS:

1. The product has been assembled when delivered. Clean the juicer and the stainless steel bowl before using to clear might have dust in manufacturing and transportation.
2. Place juicer on a horizontal and steady surface.
3. Place a container (cup/glass) directly below the drain spout to collect juice.
4. Slice fruits in half or crosswise depends on the size of the fruit.
5. Raise the handle to the most upright position and place half or quarter of the fruits on the strainer.
6. Lower the handle to begin the squeezing process.
7. Repeat step 5 and 6 to squeeze the remaining fruits.
8. Remove residue & clean the juicer after use.
