Abstract Cipher 1

D2785S55687-4736

Abstract Cipher 1 is an exquisite study of technique and color with just a hint of mark-making. A masterful composition, this work on paper uses layers of multiple colors to achieve a textural feel, while a sense of movement is created using a cascade effect of the texturing and layering. A tranquil color scheme in baby blue and dark denim is punctuated by snow-white dollops of color. The scene is anchored by a bone-white backdrop. The harmonious use of color, texture, and space draws the viewer into a meditative exploration in this work on textured paper. Part of the carefully curated ART by TA collection.
