Marble Console Table

Assembly Guide

IMPORTANT: please read these instructions fully before starting assembly

**SAFETY AND
CARE ADVICE**

NO POWER TOOLS

- Check you have all the components and tools listed
- Remove all fittings from their bags and separate into groups
- We do not recommend use of power tools - this could damage the unit. Only use hand screwdrivers and Allen keys
- Keep children and animals away from the work area, small parts could cause choking if swallowed
- Make sure you have enough space to lay out the parts before starting
- Assemble the item as close to its final position (same room) as possible
- Do not over tighten the nuts to avoid damage to the threads
- Only clean using a damp cloth and mild detergent. Do not use bleach or abrasive cleaners
- Do not allow children to climb or play on this product
- From time to time, check there are no loose screws in this unit
- This product should not be discarded with household waste. Take to your local authority waste disposal centre
- Unless otherwise stated, this product is designed for domestic use and is not certified for commercial or contract settings.

IMPORTANT INFORMATION

30 Minute
Build

Two Person
Build

Max Weight
Capacity
50kg

Note: Assembly estimates are approximate and can differ based on the specific environment and user experience.

WHAT'S IN THE BOX

Note: the quantities are the correct amount to complete the assembly. In some cases more fixings may be supplied than are required.

Label	Part Name	Drawing	Quantity
1	Table Top		1
2	Leg Frame		2

Label	Hardware Description	Drawing	Size (mm)	Quantity
A	Mounting Plate		150 x 150	2
B	Allen Screw		M8 x 20	8
C	Allen Screw		M8 x 25	8
D	Flat Washer		Ø8 x 22	8
E	Felt Pad		Ø30	10
F	Allen Key		M5	1

Note:

- Use a clear, flat surface to avoid bumps or scratches before assembling.
- Insert all fixings loosely at first to allow for alignment; only tighten them once everything is properly positioned, as some adjustment may be required.
- Avoid over-tightening, as this may damage the parts.
- Seek assistance when moving large or heavy parts

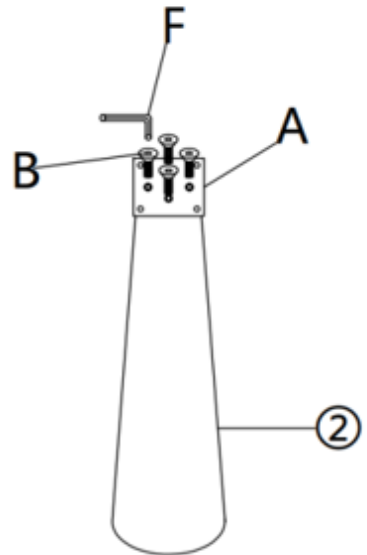

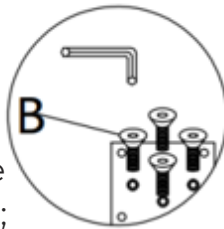

STEP 1

Align the 1x mounting plate [A] with pre-drilled holes on 1x leg frame [2] and secure using 4x Allen screws [B].
Fully tighten screws with the Allen key [F].

NOTE: The mounting plate is not reversible.
Before fitting, check the hole depth on each end;

- Deep tapered hole -
Attaches to the BASE
- Straight, Flat hole -
Attaches to the Table
Top

NOTE: Incorrect
installation will prevent
assembly.

STEP 2

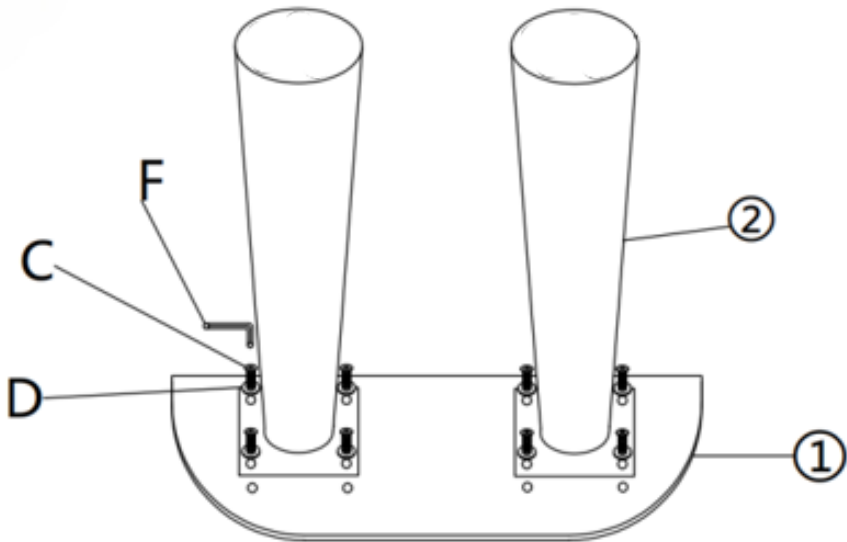

Repeat for the second
leg frame [2]

STEP 3

Place the table top [1] upside down on a soft flat surface.

Align the 2x leg frames [2] onto the table top [1] and secure via the mounting plates [A] using 8x washers [D] and 8x screws [C] - 4 per leg frame.

Fully tighten the fixings with Allen key [F]

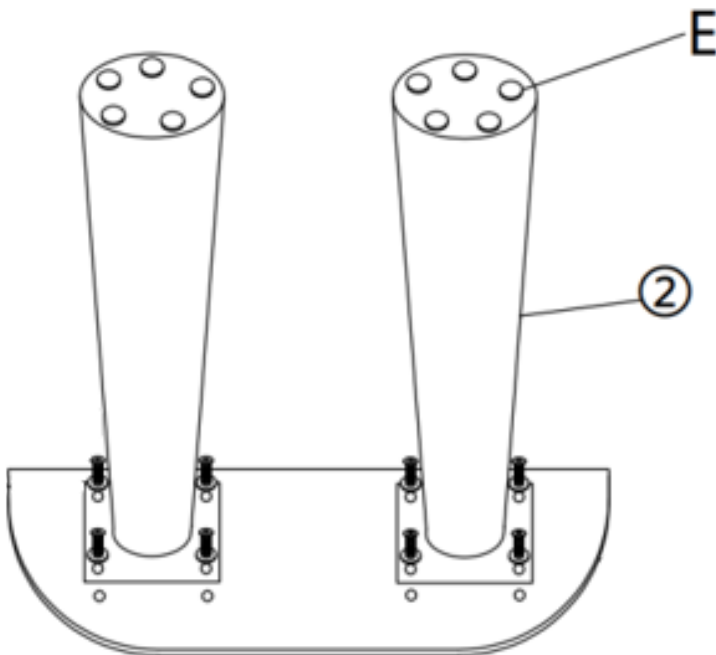

STEP 4

Peel off the backing from felt pads [E].

Align each felt pad with marked positions on the base, then press firmly for 30 seconds to stick well.

NOTE: Ensure surface is clean and dry before applying felt pads.

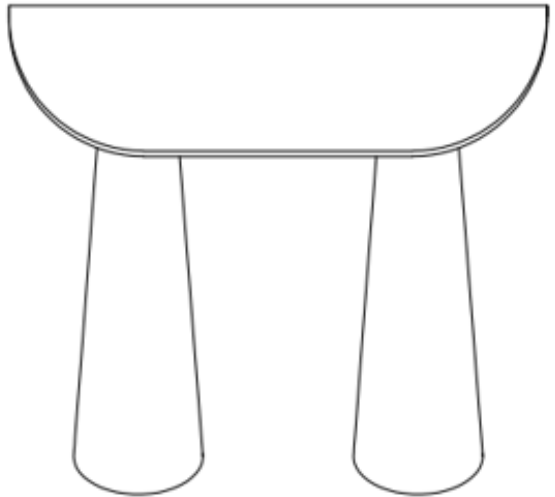

STEP 5

Carefully, and with help, turn the table over to stand on the base.

Check stability.

NOTE: If experiencing any wobbling, slightly loosen the fixings between the legs and the table top. Allow the table to settle into a level position, apply some pressure to the top and fully tighten all fixings.

Your table is now ready to use!

Please ensure any and all fixings and fittings are FULLY tightened before using this product

STEP 6

Anti-Tipping

To prevent serious or fatal injuries please follow the instructions below to secure this furniture to the wall using anti-tip restraints.

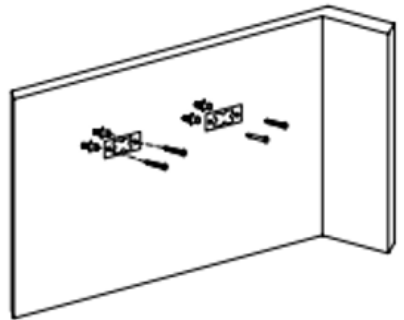

**Serious or fatal crushing injuries can occur from furniture tip-over.
To further reduce the risk of serious injury
and death from tip-overs:**

- Place heaviest items in the lower drawers
- Do not set TVs or other heavy objects on top of this product
- Never allow children to climb or hang on drawers, doors, or shelves
- Never open more than one drawer at a time

Always use fixings suitable for your wall type.

If in doubt, please consult a professional or seek advice from your local hardware store.

Anti -Tip Kit Assembly Instructions

1 Mark the positions on the wall where the table will be placed.

2 Drill pilot holes at the marked positions, then insert wall plugs into the holes.

NOTE: Ensure that no hidden pipes or wires are present where you intend to drill.

3 Attach the anti-tipping brackets to the wall using wall screws.

4 Attach the other end of the anti-tipping hooks to the brackets on the back of the table.

5 Secure the hooks tightly to ensure the table cannot tip over.

Looking Good!

Now you've assembled your furniture, find out how to care for your item and keep it looking brand new.

Product Care Guide

Product Care Handbook A Guide To Protecting Your Product

Caring for PUX LEATHER

To preserve and maintain the appearance of your faux leather, we apply a "little and often" approach to cleaning.

Stain marks can accumulate through regular use. We recommend using a soft, clean cloth with water and a small amount of gentle washing up liquid to clean the surface gently once-over.

Before using the cloth before use, avoid soaking the surface and follow up by thoroughly drying the surface with a dry cloth.

Always use a soft, circular motion when cleaning your product. Aggressive scrubbing can cause surface damage.

Avoid the use of harsh detergents such as bleach as these can cause drying out or discolouring.

To preserve the appearance of the velvet, gently vacuum the product with an upholstery attachment once a week.

Alternatively, carefully use a soft-bristled fabric or clothes brush to gently smooth the fabric and remove surface dust. Take care to only brush in the direction of the nap of the fabric.

Velvet can be prone to marking, so be sure to avoid placing anything heavy or hard-edged onto your product for prolonged periods of time. Should

caring for VELVET

your velvet product start to show pressure marks, these can easily be removed through lightly steaming or brushing the affected area.

Take extra care to prevent your velvet product from coming into contact with any liquids. In the event of spillages, gently blot the liquid away with a soft, clean cloth. Do not rub the affected area or you risk damaging the appearance of the velvet.
