## Notes

1. Please check the dimensions of the product before ordering to ensure it fits your home. Please note that the lighting area is not large and cannot be used as the main lighting.
2. Please note that the product is suitable for parallel ceilings, sloping ceilings are not suitable.
3. Please note that the 2 G9 bulbs and the wall switch are not included.
4. Please use it in a dry environment. It is compatible with most junction boxes.
5. Please wear electric insulation gloves(not included) and avoid scratching the surface of the lamp plate and the electric wire when installing. Please make sure that the power supply has been cut off before installation, and conduct a power test before installation. Please install it by a licensed electrician if necessary.
6. Please do not touch the bulb or look directly at the lighted bulb while the fixture is open. Please keep flammable materials away from the bulb.
7. Please use the lamp within the applicable voltage range and clean lamps regularly. Please cut off the power supply when you clean the light or replace light bulbs.
8. Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before you order.
