3-Light Glass Bubble Chandelier

Caution: Please turn off power before installation and read the manual carefully, we advise you contact professional electricians to install for safety purpose.

Installation Instructions

1. Screw the long rod into the lamp body with the lamp holder.
2. Loosen the light body of the hanging chain, thread the main line through the middle, and tighten it on the long rod.
3-4. Tighten the cover and thread the power cord through a 15CM long suspension rod, which is fixed to the cover. If need a longer one, can splice another 15CM long suspension rod.
5. Fix the canopy and ground wire on the short rod with nuts.
6. Fix the backplate to the junction box with screws.
7. Connect the main wire and ground wire of the fixture to the wire from the junction box.
8-9. Cover the backplate by the canopy, and fix it with screws.
10. Install the light bulb (not included).
11. Hang the glass shades on the bottom of the lamp body.
12-13. Buckle the 2# hanging chain on the lamp body, and then hang the glass shade on the 2# hanging chain. Buckle the 3# hanging chain on the lamp body, and then hang the glass shade on the 3# hanging chain. And so on to the 7# hanging chain. The 1# chain is the spare chain.
