

Bamboo Expandable iPad Stand

Item# 1887

This Bamboo Expandable iPad Folding Stand is simply designed, beautiful and easy to use. Crafted from bamboo, it features an understated design with a neutral natural finish. Easily use it from any angle when you adjust the table stand to one of four positions. Your iPad will easily charge thanks to the charger slot at the bottom of the tablet holder. It is a small, convenient size with a natural, austere design. It's also excellent for use with any pc tablet or ereader because of the expandable surface!

- ▶ Conveniently positions an iPad for surfing the web or watching movies
- ▶ Expandable feature (expands from 8" to 10 1/4" W) allows you to stand your iPad upright or on its side
- ▶ Adjusts to 4 standing positions; from flat to an upright, sixty-degree incline (8 1/4" H).
- ▶ Made from eco-friendly bamboo, a natural and renewable resource
