24" LED Vanity Light

The High-Output LED Bathroom Vanity Light combines powerful illumination with a clean, architectural profile. Featuring integrated AC LED technology, a refined Silver finish, and a slim ADA-compliant design, the colLection delivers 1,657 lumens of smooth, energy-efficient illumination, making it one of the highest-output fixtures in the Collection.

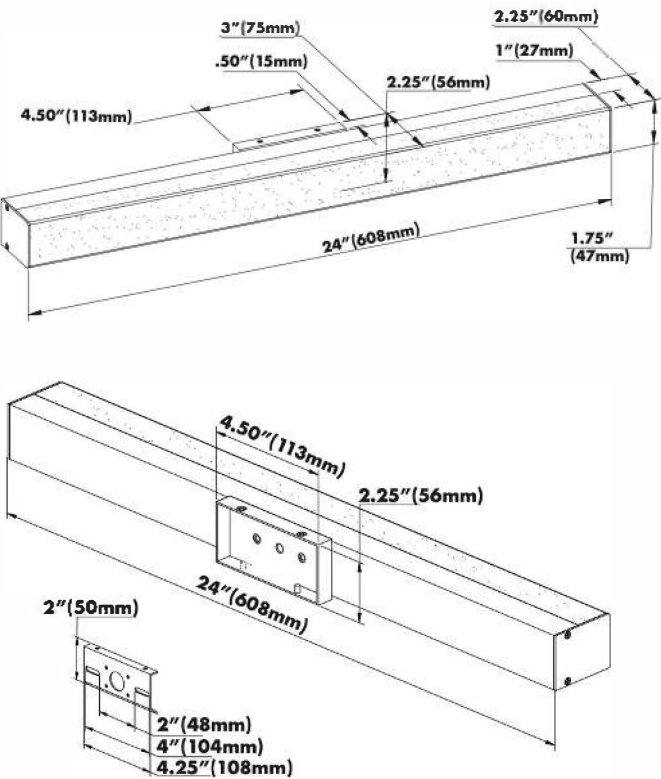

Designed for maximum installation flexibility, the colLection can be mounted horizontally above a vanity or vertically beside a mirror, allowing it to adapt beautifully to a variety of bathroom layouts. Its streamlined form makes it an excellent choice for primary bathrooms, double vanities, powder rooms, dressing areas, and sophisticated residential or commercial interiors.
