Premium Aquarium | 135 Gallon Tempered Transparent Glass with LED Light, Complete Fish Tank, Black

Standard Price: \$2999

**Key Product Features:**

1. INCLUDED IN PURCHASE: This package comprises a 113-gallon aquarium featuring a tri-color LED cover, a fully assembled storage cabinet, and a 22-gallon filtration system complete with filter media and a 35W 920 GPH aquatic pump. This comprehensive purchase caters to all your immediate setup requirements.
2. SUPERIOR DESIGN: This premium aquarium is constructed from high-quality low-iron durable ultra-clear tempered glass with a thickness of 0.315 inches, ensuring resilience against damage and impact in busy home or office environments. It exhibits exceptional resistance to scratches, fingerprints, smudges, and both acidic and alkaline substances. The visible light transmittance exceeds 91.5%.
3. HIGH-QUALITY BUILD: The stand is engineered for durability. Its all-metal frame is resistant to saltwater corrosion and can endure tension and torque deformation from heavy loads. It is waterproof and immune to the corrosion and degradation commonly found in other products. It will not deform or fade and is backed by our warranties.

4. **SUMP FILTRATION SYSTEM:** The wet-dry filtration system includes all necessary components for installation. The designated filter media dividers facilitate a modular setup. This concealed system has a water actual capacity of 22 gallons. The built-in filtration is housed within the cabinet, ensuring a clean and clear aquatic environment over an extended period. The glass is bonded with durable German biophilic silica gel, enhancing resistance to saltwater erosion for up to twenty years.

5. **ENHANCED AQUATIC ENVIRONMENT:** Provide your aquatic pets with an enriched immersive experience through this stylish aquarium. Customize the tri-color LED lights to your liking and observe your fish as they swim gracefully in their elegant habitat, made possible by the ultra-clear glass and sophisticated filtration system. Offer your pets the quality home they deserve.

### **Product Description:**

This exceptional all-in-one aquarium system is ideal for enthusiasts of aquatic life. The complete package includes a fish tank, stand, tri-color LED cover, and a concealed filtration system. Enhance the elegance of your home or office with the ultra-clear, scratch and smudge-resistant glass. The "crystal glass" aquarium is designed to support a variety of marine life, corals, Arowanas, aquatic plants, and more, offering ample space for water features and diverse lighting options. The robust yet stylish aluminum cabinet not only provides storage but also accommodates a modular sump filtration system, ensuring a pristine environment for your aquatic inhabitants.

We provide a three-year warranty along with exceptional customer service. All electrical components are covered by a one-year warranty when purchased as part of a product bundle.
