DESK SET CLOCK: This executive clock and pen set has a high-gloss Rosewood Hall finish on select hardwoods to complement your home decor. The clock's movement makes a soft ticking noise without the use of chimes for a quieter environment.

DURABLE: This indoor modern clock is created to last. It has a sturdy frame to relieve stress in busy business areas. It can be displayed in an office or on your desk with a self-adhesive brass plate included to engrave for your own custom personalization.

HIGH QUALITY: The classic design is an elegant office essential. Catch an appealing eye with the polished brass-finished waterfall bezel, white dial, and glass crystal. Two polished-brass pens are attached and are compatible with Cross ink refills.

MOVEMENT: It is powered by a quartz, alarm movement, and includes one AA sized battery. The traditional Roman numerals feature IIII instead of IV.
