ASSEMBLY INSTRUCTIONS

CAUTION: *At least two adults are required to safely complete performing this task.
Other lifting attempts may risk back injury due to large and heavy part(s).*

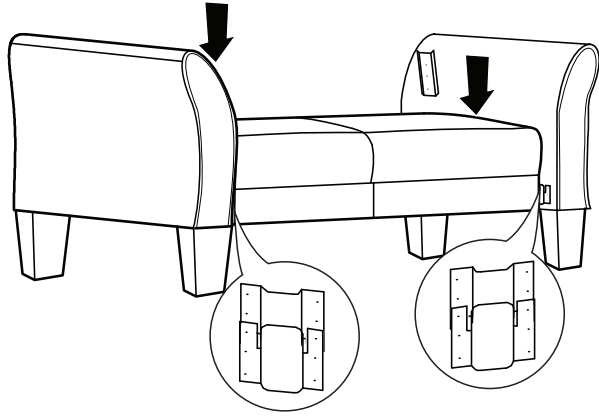

- 1** Carefully unpack parts/hardware from storage of seat body and place on a clean flat surface.

- 2** Place both arms as shown below, secure two legs and plastic washers into pre-drilled holes on the bottom of arms. Please avoid overtightening.

- 3** Carefully lift and turn assembled arms onto its legs.
Insert seat body metal plates to both arms as shown below. Ensure it is correctly in place.

- 4** Insert both backrest ear piece metal plates to both sides of backrest.
Ensure it is correctly in place.

- 5** Insert backrest with ear piece metal plates to both arms as shown below.
Ensuring it is correctly in place.

- 6** Finally, stretch and pull down rear cover evenly before securing velcro strip to seat base.
Repeat if necessary for better fit.
