1.

Separate (A) from (B)

2.

Mount (A) to the ceiling.

Note: When mounting be sure to locate and mount (A) to a joist/ceiling beam

If you cannot do so, be sure to use drywall screws and anchors, drill additional holes for mounting for better support

5.

Test lights by turning on power

Make sure bulb is not touching the glass!

Turn off power after testing

4.

Connect electrical wire to the power

6.

Remove chains from one side only, and attach (B) to (A) with the button head screws (D)

7.

Remove remaining chains and attach **B** to **A** on other side with button head screws **D**

8.

Pendant Cable length may be adjusted up and down by pressing in wire toggle **E** and **gently** pushing /pulling cable
