## ASSEMBLY INSTRUCTIONS

Place all parts on a clean and soft surface such as a rug or carpet to avoid scratching during assembly. Please follow all assembly instructions step by step. It is best to use a screwdriver as opposed to a drill during assembly to avoid over tightening or stripping screws/bolts.

## CUSTOMER SERVICE QUESTION & INFORMATION

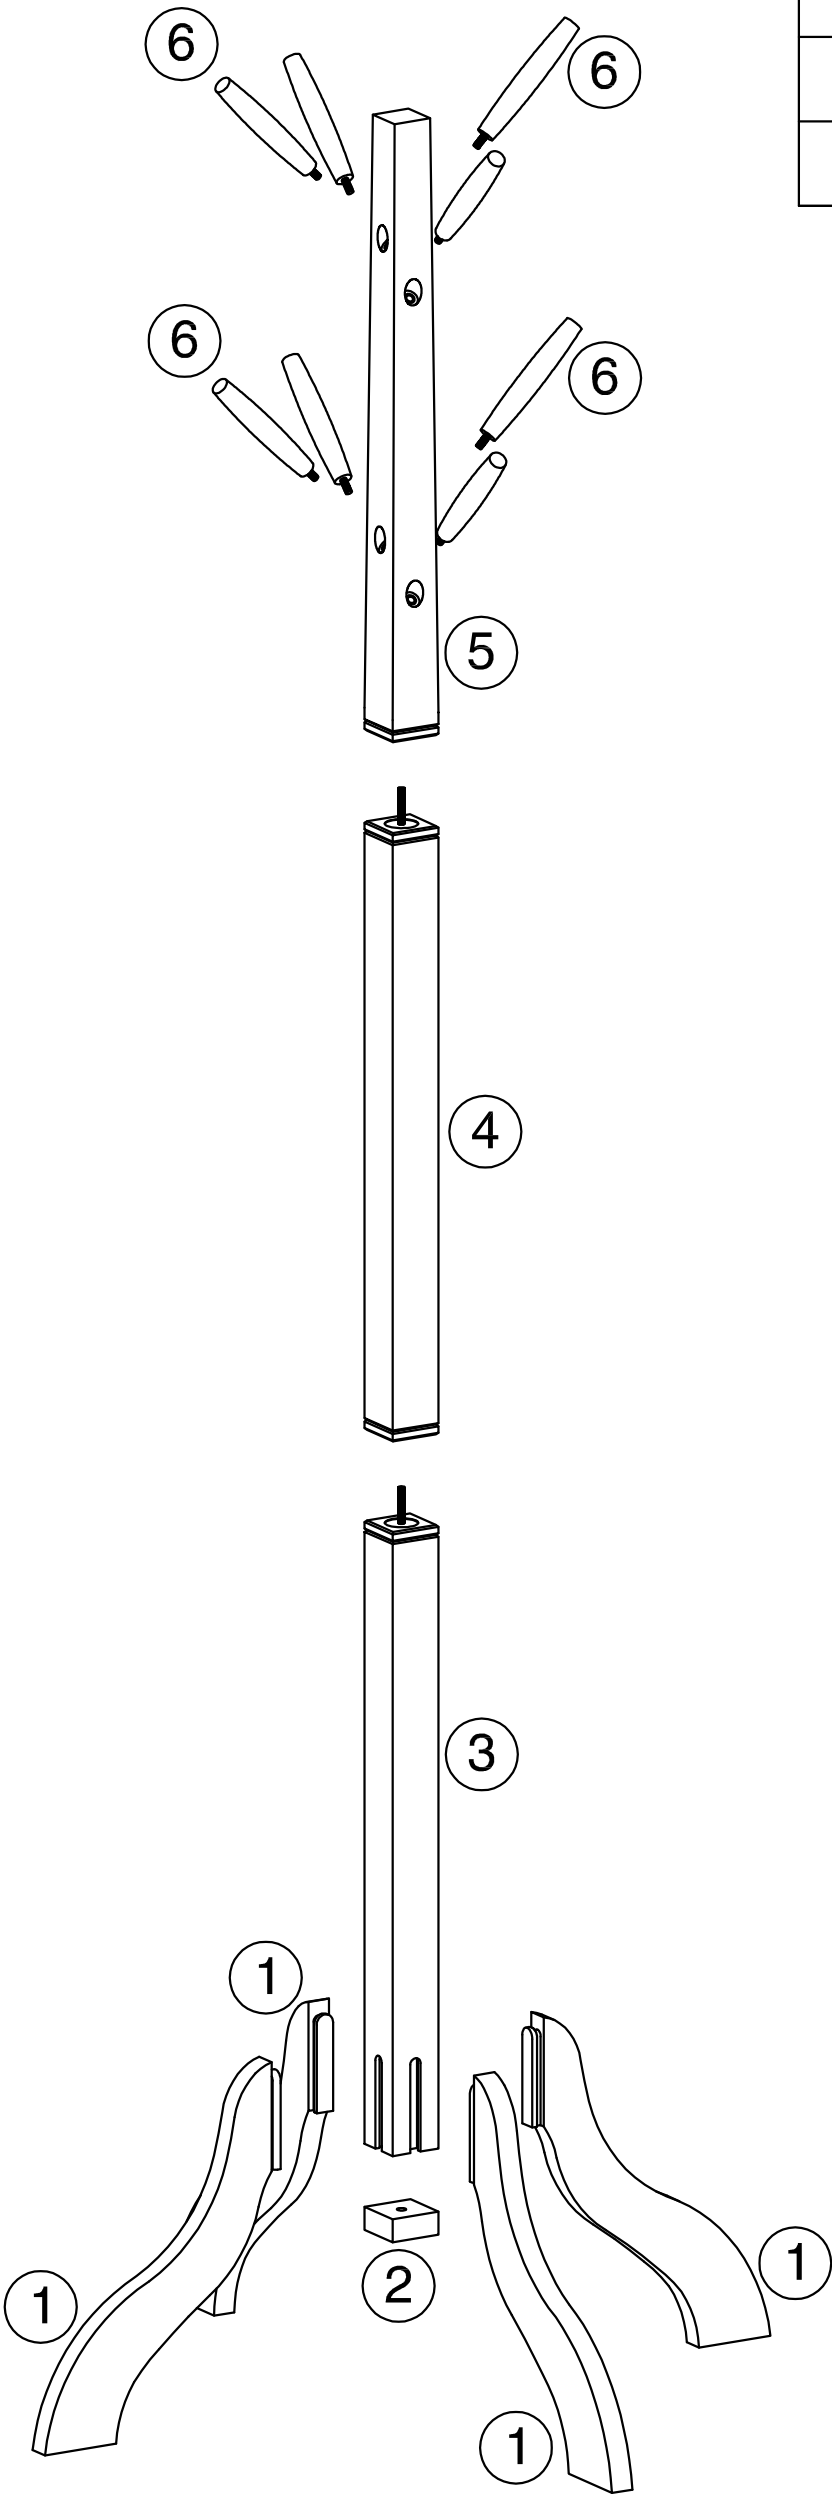

For missing hardware, damaged parts, or questions concerning assembly please contact below rather than your store or on-line provider. Replacement parts are usually available within 2-3 days.
