Turn off the main electrical supply
from the main fuse box/circuit breaker

Installation Steps:

1. Fix the mounting bracket (C) to the outlet box (A) with tapping screws (D).
2. Connect the electrical wires using the wiring caps (B) as shown in the figure.
3. Fix the lamp body to the bracket with the flower nut.
4. Install the lampshade onto the lamp body.
5. Turn on the power to test if the fixture is working properly.
