## Lunch Time Splash 1

D2499S49965-4043

Lunch Time Splash 1 is a diminutive yet powerful work of art that captivates the imagination with its dreamlike quality. This print seems to fuse photography and painting, blending the surreal with reality in a boundless underwater scene. The central figure, adorned in a long, formal gown, echoes the fluidity of the water, creating an entrancing ballet-like motion that transcends the frame. The subtle tonal greyscale, featuring hues of graphite, charcoal, and seafoam green enhances the timeless atmosphere of the piece. Texture is brought forward through diverse brushstrokes and intricate patterns that emulate the water's refractive quality. This very accomplished and intimate work embraces the boundary between the real and the imagined.

Passionate imagery and a subdued color palette create a compelling call to reflection in this work of art on textured paper. An original addition to the exclusive ART by TA Collection and a beautiful companion piece to Lunch Time Splash 2.
