Easier Installation help: please use your mobile browser to scan the QR code below to watch the installation video.(Outdoor Chaise SKU : 4001)

ASSEMBLY INSTRUCTIONS

Thank you for choosing our product!

Notice:

- 1.50% Tighten before fixing all screws, allen wrench is recommended instead of an electric drill,
- 2.Place the item on a flat ground to adjust and make sure it remains stable,
- 3.Tighten up all screws with tools gradually,
- 4.If the screws are not aligned with holes during assembly, please loosen
- 5.If the item is not stable, please loosen all the screw, adjust it on a flat ground and tighten up all screws again,
- 6.Note: If one or some screws are fully tightened during assembly, chances are the others will not be aligned with holes. In addition all the holes are designed to be relatively larger to provide more space for the adjustment of the screws.
