

OPTIONAL COT MATTRESS

Made in China

Folding Camping Cot

User Manual

NOTE:

1. The folding cot has a side bag.
2. It would be a little tight when you first open the cot, and it will be flattened by pressing the middle of the cot from two sides. Please refer to the photo of installation steps.
3. If you accidentally pour water onto the folding cot during use, please dry it and then fold it up.
4. When not in use, please put it in the carry bag and store it in a dry and ventilated environment to make the product last longer.

INSTALLATION STEPS
