## Maidstone Two-Drawer Server

The Maidstone Two-Drawer Server echoes the Round Pedestal Table's carved-away details. Sitting side by side, two side-hung, center-guided drawers feature a stacked chamfer design and hexagonal knobs of warm nickel; the right-hand drawer contains a silverware tray. A tall, tapered-legged base with warm nickel ferrules includes a broad open shelf for storage or display. Solid red oak in your choice of Pier or Sandbank finish.
