

## Ambrose Modular Storage Cabinet - Champagne Gold

107172

Crafted in Indonesia, this beautiful media console and cabinet will bring modern style and elegance to living, lounge and home office spaces. Designed with cream finished oak wood and a champagne gold iron frame. Features four cabinets for added style and function. Coordinate with the Ambrose modular wall desk, and large and small bookcases for a space saving design. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
