90-Day Limited Warranty Statement for Manufacturing Defects

Please read this Limited Warranty carefully. To maintain your Warranty, you will need to comply with the conditions stated here. This warranty is for manufacturing defects only and does not cover damages as a result of misuse.

1. Our products sold comply with the description contained in this Warranty. All parts and products are warranted 90-Day from the original date of delivery except: parts and products used for commercial, contract, rental trade, institutional, or any other non-residential purposes; parts and products that have not been maintained in accordance with the care recommendations provided; parts and products damaged resulting from the consumer's improper assembly; or parts and products that are damaged or defective due to normal wear and tear.
