

Merkled Large Entry Shelf - Instruction / Spec Sheet

Size: 12" x 2 1/2" (from wall), 2 1/4" depth on shelf

Weight: 10 oz

Available Colors: grey, white, mint green, emerald, matte fine textured black

Materials: powder-coated aluminum, cork base

**Designed to fit with Merkle Coat Hooks right or left - sold separately

Hardware Recommendations:

*Hooks have total weight bearing capacity of 15 lbs when proper anchors are used

*Designed for screws #6 - #8

*Anchors provided are for drywall - install with 3/16" drill bit

*Recommended to use best anchors and hardware for your wall surface - the shelf will only be as strong as the anchors you use to attach to surface. If unsure check with your local hardware store for advice or feel free to contact us for suggestions

Use + Care:

*It is recommended to use nonabrasive household cleaners and soft cloth to clean
